F. No. 76-2/2022-TECH

19 October 2022

ORDER

The CAA guidelines for the issuance of certificate of compliance for antibiotic free aquaculture inputs dated 01.11.2021 provides that the "Application in the prescribed form number ' X - A' along with additional documents for renewal of certificate for aquaculture inputs (downloaded from CAA website www.caa.gov.in/product/products/product_search) shall be submitted three (3) months before the expiry of such certificate".

Accordingly, if not applied for renewal of certificate in the stipulated time period the certification number stands expired after the existing validity period.

Therefore, this is to bring to your notice that the validity of the certificates of compliance issued to the following products of the respective companies During the period from February 2016 to May 2016 have expired as detailed below

SI No	MANUFACTURER / DISTRIBUTER	PRODUCT	CERTIFICATE NO. (EXPIRED)
1	M/s. AQUA WORLD, CHENNAI- 600003	LUCKY STAR MICRO ELITE	CAA/F16/FL/00114

This Authority has NOT received any application for renewal of Certificate of Compliance issued for the above-mentioned products as on date. Hence, I am directed to convey the order of the Competent authority to delist the products from the list of CAA certified inputs with a direction to stop using the certification numbers with immediate effect for which the validity expired on the above products.

(A. Antony Xavier)
Director (Tech)
