Welcome

TO THE HENDRICKSON ALL MAKES BUMPER PROGRAM

Hendrickson is the leading tier one OEM supplier of heavy duty truck bumpers for the North American commercial vehicle industry. Our commitment to quality and product innovation drives this industry leadership position, thus promoting the development of products that enhance vehicle styling and durability. Key capabilities, which include proprietary bumper forming technology and advanced metal and plastic materials, enable Hendrickson to manufacture aerodynamically contoured bumper designs that are durable yet lightweight. Hendrickson supplies over 1,000 different part numbers from chrome plated steel, prime painted bumpers to many proprietary products.

Hendrickson has an extensive field sales, parts and service organization to support our customers around the globe — truck owners, dealers, fleets and OEMs. Our investment in new technologies will continue as we strive to deliver value to our customers. At Hendrickson, innovation never rests.
