

Reach-In Cooler Motors

Cool Running, Quiet Operation

ICEKold unit bearing motors feature a low starting torque that provides a smooth and quiet startup to power fans in commercial refrigeration evaporators and condensers

- ✓ **Cast Iron Construction**
is stronger and more durable than aluminum and plastic body motors.
- ✓ **Permanent Lubrication**
requires no maintenance.
- ✓ **Universal Mount**
fits both 3-hole rear mount and single pad mount applications.
- ✓ **Extended 24" Leads**
reach the most difficult connection points.
- ✓ **1550 RPM**
is applicable to most commercial refrigeration fan applications.
- ✓ **Thermal Protection**
extends motor life.
- ✓ **UL Approved**
