

 **GRIFFIN** for education

CREATING TODAY'S
CONNECTED CLASSROOMS

You know your classroom is changing.

Tablets, mobile devices and other new technologies are connecting your classroom and creating new ways to learn every day. But how do you use these new tools to maximize instructional time while minimizing distractions? And how do you do it on a budget?

Griffin's comprehensive lineup of accessories deliver the protection and features you need, no matter how you plan to use tech in your classroom.

Ready to get started?

Focus on the basics:

CASES

Survivor All-Terrain for iOS Devices

Mil-spec tested, real-world
proven protection

**#1 RUGGED
TABLET
CASE BRAND
IN K-12 EDUCATION**
- NPD (2014-2015)

- Independently tested to meet conditions outlined in US Department of Defense MIL-STD-810G
- Display shield deflects wind & rain (test: 200 mm/hr for 1 hour)
- Rigid internal frame protects against shocks and drops (test: drop to flat concrete surface from 6' / 1.8 m)
- Sealed ports block blown sand & dust (test: up to 18 m/sec for 1 hour)
- Silicone cladding absorbs vibration (test: 18 hrs at 20 to 2000 Hz)
- Includes multi-position stand for tablets; removable stand/belt-clip for iPhone, iPod, and smartphones
- Sized to fit in Griffin's MultiDock charger without removing the case

Custom Cases

Brand your iPad, iPhone, or iPod with your company or school logo

NA38550

We can add your school logo to our cases, creating a **one-of-a-kind** solution identified with your institution. Whether you need specific colors, or simply a logo applied to an existing case, Griffin can provide total solutions.

MULTIDOCK™

Charge iPads, iPhones, smartphones, Android tablets and more.
Easier. Faster. And more conveniently than ever before with MultiDock.

Store, Charge & Sync

Store, charge and sync a whole fleet of tablets in a single location. Link three MultiDock charging stations together and maintain as many as 30 devices from a single host computer.

Quick Charge Mode

When used with Apple devices featuring the Lightning connector, MultiDock charges these devices at the fastest possible rate, even while syncing.

Sleek Design

Not only does MultiDock save space, it also gives you all the functionality you need without sacrificing aesthetics.

◀ MultiDock Cart

Mobile storage, charging, syncing, & security for 30 tablets and smartphones, preassembled and ready to go
NA38550

Store, Charge & Sync

- For iOS and Android tablets, smartphones and more
- Charges tablets even in bulky cases (easily accommodates all Griffin cases + most rugged cases on the market)
- Locking front panel secures tablets while charging
- ChargeSensor technology detects the power profile of each device and delivers up to 10 watts for each connected device (5 volts @ 2.1 amps) simultaneously
- Quick Charge Mode allows devices with Lightning connectors to charge & sync simultaneously, at the fastest possible rate
- Individual color-changing LEDs indicate charging and syncing status for each bay
- Internal circuit protection, self-resetting
- Keep all your iOS devices' contents up to date from a single host computer

COMPATIBLE WITH
SAMSUNG,
LENOVO, HP,
ASUS & APPLE
DEVICES

◀ MultiDock

Countertop storage, charging, syncing, & security for up to 10 tablets and smartphones
NA36507

Cable Add-On (10 ct.)*

9" cables are designed to fit MultiDock & offer exceptional cable management features.

- XX37418** USB-to-Lightning Connector
- XX37419** USB-to-Dock Cable
- XX37420** USB-to-Micro USB Cable

*Cable add-ons sold separately

KEYBOARDS

Wired Keyboard

A full-sized keyboard for iPad, with tactile feedback and a soft touch for efficient typing

- Full-sized keyboard with tactile feedback and a soft touch for students' fingers
- Familiar keyboard layout that matches Apple's Wireless Keyboard
- The security of a direct connection with no wireless signal to eavesdrop
- Available with either Lightning connector or 30-pin dock to fit all iPad models
- Generous 1-meter integral cable that never gets misplaced
- No batteries to replace; gets its power from your iPad

XB38326 Lightning Connector

XB38518 30-Pin Dock Connector
