

## Premier ONE SDXC UHS-II Memory Card

Premier ONE SDXC UHS-II memory cards meet the latest standards, providing ultra-fast read up to 290MB per second, which is 3 times faster compared to UHS-I SD cards. Premier ONE SDXC UHS-II memory cards also support highest-level V90 video playback. Thanks to these remarkable improvements, they are perfect for high-end digital video recorders and cameras, enabling users to continuously photograph, record, and play Ultra HD 8K, 4K, and 3D/VR content. Backed by solid multi-point protection, Premier ONE SDXC UHS-II Class 10 (U3) memory cards are the most durable and reliable choice for professional photographers and enthusiasts in capturing every monumental moment!

### UHS-II performance boost!
