

# Samsung Solutions For Education

Samsung's Education Signage Program for K-12 and Hi-Ed offers special pricing on a full line of commercial displays, desktop monitors, content management solutions with remote management, and extended warranties.

## Interactive Displays for the Classroom

### Let's Flip. Learning Simplified

Samsung Flip 2 is the perfect tool to engage today's young students, facilitating critical teaching moments and helping students and instructors collaborate, expressing themselves with powerful technology that couldn't be easier to use. Available in 55" or 65".

## Large Size Displays for the Classroom

### Full Classroom Presentation

The 65"/75" QB series & QE82R displays feature 4KUHD resolution. With bright and stimulating text and images, students are engrossed in the content being presented.
