The Post-it® Plus App

**Moving great ideas forward
— from start to finish**

Ideas don't stop when the meeting ends

The Post-it® Plus App takes the momentum from your collaboration sessions and keeps it rolling. Simply capture your notes, organize and then share with everyone. It's that easy.

How does it work?

Capture your notes

Use the app to capture the Post-it® Notes from your work session.

Organize your thoughts

Arrange, refine and organize the notes on your board — any way you see fit.

Share with everyone

Share your organized board with your team. Then share to your favorite application.

STORYBOARDING

Agreeing on the best ideas – fast

REVERSE THINKING

Turning the problem upside-down

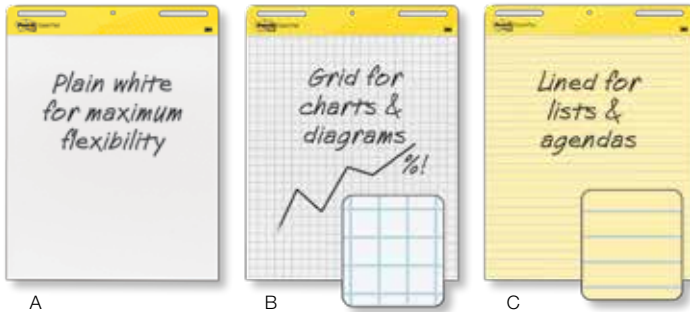

SWOT ANALYSIS

Weighing the good against the bad

Mouse Pads

3M™ Precise™ Mouse Pads with Battery Saving Design enhance the precision of optical mice at fast speeds and also extend the battery life of wireless mice up to 50%.**

* Antimicrobial product protection inhibits the growth of microorganisms, such as bacteria, on the product surface, that can cause stains, odors and product degradation.

** These products draw less current than darker mousing surfaces, which results in extended battery life.

How to order the correct size privacy filter

Choose from widescreen or standard size to ensure the correct fit for your notebook or LCD monitors.

NOTE: Measure height and width of viewable area only. For proper fit, do not include the plastic monitor or laptop frame in your measurement.

Select the right privacy filter for you

What type of privacy technology?

Help prevent others from viewing your information.

Blackout technology:

- Darkens screen images and text from side views.

Gold technology:

- User sees more clearly than ever, while from a side view, onlookers see a vibrant gold screen.

What style of filter?

Filter style depends on your work habit needs.

Frameless filters:

- Custom sized for notebook computers, both standard and widescreen formats.
- Also fit LCD desktop monitors and provide a seamless look.

Framed filters:

- Fit LCD/CRT monitors. Widescreen and standard sizes.
- Anti-reflection coating reduces glare and reflections for more comfortable viewing.

Anti-Glare and Privacy Filters

Frameless Anti-Glare Filters

Improve your view in high-glare situations.

- Reduces glare to preserve the readability of your screen in high-glare situations
- Compatible with most touchscreen displays
- Protects screen against scratches and damage
- Removable; easy on/off attachment method

Order #	Aspect Ratio	Filter Viewing Area (H x W)	Fits Monitor Size	List Price
AG12.5W9	16:9	6 $\frac{1}{8}$ " x 10 $\frac{1}{16}$ "	12.5" Widescreen Notebook	\$47.70

Framed Desktop Privacy Filters

3M privacy technology darkens on-screen data when viewed from the side.

- Screen data is only visible to persons directly in front of the monitor with no blurring or distortion
- Anti-reflection coating reduces glare and reflections for more comfortable viewing

Energy Efficiency without the Compromise

3M

LED Advanced Light

- Excellent light without mercury
- No warm-up required
- Lamps require less wattage to match the light output of conventional bulbs — saves up to \$275.00 over life of bulb*
- Bulbs last a minimum of 28,000 hours

*Saves between \$140.00 and \$257.00 over life of bulb, depending on model.
