SSD Upgrade Kits for Mac

JetDrive 420

Is your Mac getting sluggish? We've got your back! Transcend's JetDrive 420 SSD replaces the current drive in your MacBook Pro, MacBook, or Mac mini, breathing new life into your Mac. Transcend's JetDrive SSDs are also backed by an industry-leading 5-year warranty.

Boot faster. Work smarter.

Built with the highest quality 3D NAND flash memory and proprietary SSD controllers, JetDrive 420 turbocharges your Mac. JetDrive 420 transfers data up to 5 times faster than traditional hard disk drives. Its superior performance drastically improves computer startup and program launch times.
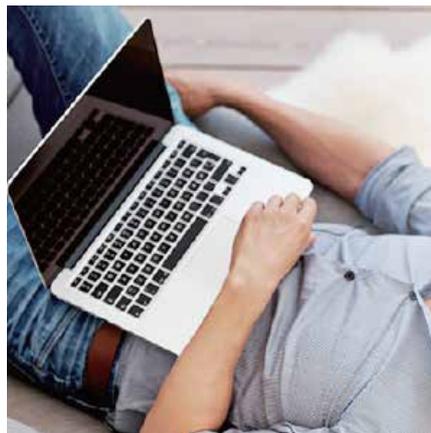

A new level of reliability

JetDrive 420 reduces the risk of data loss caused by shock or vibration by having no moving parts. Moreover, built-in wear-leveling support can extend the lifetime of your SSD.

Your old drive reborn

Transcend's JetDrive 420 SSD upgrade kit comes with an external enclosure that supports the USB 3.1 Gen 1 interface. Just pop your original HDD or SSD in the enclosure, and you've got a sleek, new external storage device.

SSD Upgrade Kits for Mac

JetDrive 420

Features

· Compatible with Mac mini (Mid 2010 - Late 2012), MacBook Pro (Late 2008 - Mid 2012), and MacBook (Late 2008 - Mid 2010)
· SATA III 6Gb/s interface
· Up to 570 MB/s read; 470 MB/s write
· Installation tools included
· Free download of the JetDrive Toolbox software

JetDrive Toolbox

Exclusively developed by Transcend, JetDrive Toolbox helps maintain a healthy and efficient SSD by keeping it up-to-date, preventing functional degradation, and predicting problems before they happen. JetDrive Toolbox clearly displays drive information, S.M.A.R.T. status for possible drive failure, health indicators for estimated lifespan, and facilitates firmware upgrades. It can also identify your Mac to quickly find out which of our Apple product suits your computer.

Specifications

Interface

Bus Interface	SATA III 6Gb/s

Storage

Flash Type	3D NAND flash
Capacity	240 GB / 480 GB

Operating Environment

Operating Temperature	0°C (32°F) ~ 70°C (158°F)

Performance

Read Speed (Max.)	570 MB/s
Write Speed (Max.)	470 MB/s
Note	Speed may vary due to host hardware, software, usage, and storage capacity.

Warranty

Warranty	Five-year Limited Warranty

Enclosure

Dimensions (Max.)	129 mm x 80 mm x 13 mm (5.08" x 3.15" x 0.51")
Weight (Max.)	86 g (3.03 oz)
Connection Interface	USB 3.1 Gen 1
Operating Temperature	5°C (41°F) ~ 55°C (131°F)
Operating Voltage	5V
Warranty	Two-year Limited Warranty

Ordering Information

240GB	TS240GJDM420
480GB	TS480GJDM420

Product specifications are subject to change without notice. Pictures shown may differ from actual products. When used as a storage capacity unit, one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment.
