EB-X51

XGA	3800 lm	16,000:1	300 / 30
WiFi® Optional	HDMI	2W	

Create the big-screen experience with this high-quality, long-lasting and flexible projector for the home and office, with XGA resolution.

Here's a projector the whole family can enjoy; from watching box sets to delivering sharp presentations, this XGA projector has the tools for the job. There's no need to worry about ambient light; it produces a bright and clear display with 3,800 lumens and 3LCD technology. It's also easy to transport and set up. And its incredibly long lamp life means it's great value for money.

Bigger is better
Whether you're watching your favourite film or delivering a presentation, this projector can achieve an impressive 300 inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products[1]. In addition to its bright and vivid colours, the 16,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images
Even in bright rooms, this powerful yet affordable XGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,800 lumens.

Long-lasting solution
Looking for a long-term, hassle-free and affordable solution for your projection needs? This model's long-lasting lamp light source providds you with 18 years' worth of entertainment[2].

Stress-free set-up
Here's a projector that's designed with portability and quick set up in mind. The carry case makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI inputs. Thanks to the optional ELPAP11 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.
