K. Approval of Design and Construction of Site Work and Utilities for Phase III of the Citrus Expansion Project, Utilizing Savings from Phase II Contingency – Mr. Morrison

The Citrus Expansion Project Phase III Classroom Wing, is scheduled to begin in the fall of 2015, when fiscal year 2015/16 funding becomes available. The Citrus Expansion Phase II Cafetorium is on schedule to be completed in August 2015, with a balance of \$266,776.40 currently remaining on the contract. This agenda item is to request authorization for the Superintendent to issue a change order to Proctor Construction for approximately \$200,000 to construct the underground utilities and prepare the building pad for Phase III, using a portion of the contingency funds remaining on the Phase II contract. It is anticipated that the District would experience an overall savings on the Phase III aspect of the project, due to working on an unoccupied campus during the summer of 2015, instead of performing the work on an occupied campus during the fall of 2015. In addition, as Phase II was awarded as a hard bid, general conditions are not required to be paid if the site work were to be performed on the Phase II contract instead of waiting to begin the site work on the Phase III contract where general conditions for that period of time would be assessed. Superintendent recommends approval.

M. Approval of Amendment to the Teacher Evaluation Procedures (TEP) Manual – Dr. Fritz

Citizen Input Request:

Luke Flynt requested to speak on this item.

The current Collective Bargaining Agreement between School District of Indian River County (SDIRC) and Indian River County Education Association (IRCEA) allowed for a re-opener for retroactive legislative changes that affect teacher evaluations. Due to passage of House Bill 7069 and signature by Governor Scott, comprehensive assessment requirements have been removed from courses. This same bill also allowed for a change in the minimum percentages for *student growth scores'* application to summative evaluations to a minimum of 33.333%. Currently, the *student growth scores'* impact could be as small as 20% or as large as 50% of the evaluation, with the remaining portion being based on observations by the supervisor. The legislation did not remove the requirement that a percent of evaluations be based on student performance. On May 11, 2015, IRCEA and SDIRC engaged in good faith negotiations regarding these changes and had tentatively agreed to amend the TEP Manual to derive all evaluations using 50% student growth and 50% instructional practice scores. Additionally, elementary art, music, and PE teachers' student growth metric was proposed to be limited to locally created assessments for just 4th and 5th grade students, rather than all grades. Superintendent recommended approval, contingent on IRCEA ratification.

VII. ACTION AGENDA

A. Approval to Amend the 2014-2015 Salary Schedules – Dr. Adams

Approval was requested to amend the 2014-2015 salary schedules for all non-bargaining positions, excluding Principals and Assistant Principals, to reflect a 2.00% salary increase retroactive to the first day of their regular 2014-15 contract. The total cost was to the general operating fund and was approximately \$193,123. Superintendent recommended approval.

Mr. Morrison noted for the record that the figure of \$193,123 in the descriptive paragraph was correct. He noted that the figure on the attachment was incorrectly stated as \$189,843. Mrs. Simchick moved approval to amend the 2014-2015 Salary Schedules. Ms. Jiménez seconded the motion and it carried unanimously, with a 5-0 vote.

B. Approval to Amend the 2015-2016 Salary Schedules – Dr. Adams

Approval was requested to amend the 2015-2016 salary schedules for all Principals and Assistant Principals to the recommended rates, as follows, to be effective on their first contract day of the 2015-16 school year:

Position	High School	Middle School	Elementary School
Principal	\$96,800	\$90,000	\$87,800
Assistant Principal	\$75,000	\$72,000	\$68,000

As approved by the School Board on August 26, 2014, one of the Superintendent's goals was to develop a salary schedule for non-bargaining groups by using a model that established fair and competitive wages. This item was to satisfy the requirements of this Board approved goal. The School Board currently had approved a salary schedule, pursuant to §1012.27(2) Florida Statutes that was based on a "step" model that established an employee's subsequent year's salary, based on the assumption of a movement of a step after a year of experience with the District. However, due to the budgetary crisis posed by the Great Recession, "steps" were frozen for all non-bargaining employees in addition to reductions in salary and contract days as measures to counter losses in funding in the statewide education budget. As a result of measures taken during this crisis, salaries for non-bargaining positions, including Principals and Assistant Principals, had become uncompetitive in the marketplace, as evidenced by comparative studies of like-size and contiguous districts to Indian River.

It was therefore requested that the salary schedules for Principals and Assistant Principals be amended to eliminate the "step" model and to establish a singular salary amount as recommended by the Superintendent to be effective on the first day of their 2015/2016 contract. The estimated cost impact to the general fund for this group was approximately \$390,251. Superintendent recommended approval.

It was noted that the Principals' and Assistant Principals' new salary schedule would be effective July 1, 2015. Further, Provider for itself and its officers, employees, agents, representatives, contractors, or sub-contractors, shall fully indemnify and hold the School Board and its officers and employees harmless for any violation of this covenant, including, but not limited to defending the School Board and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon the School Board or payment of any and all costs(s), damages (s), judgment(s), or loss(es) incurred by or imposed upon the School Board arising out of the breach of this covenant by the Provider, or an officer, employee, agent, representative, contractor, or sub-contractor of the Provider to the extent and only to the extent that the Provider or an officer, employee, agent, representative, contractor, or sub-contractors of the Provider shall either intentionally or negligently violate the provisions of this covenant, or Sections 1002.22 or 1002.221, Florida Statutes. Further, Provider shall fully indemnify and hold harmless the School Board, its officers, agents and employees from any liability and/or damages, including attorney's fees through any appeals, resulting from Provider's failure to comply with these requirements.

The **Contractor** will independently perform all services specified above, except as provided otherwise herein. In the event **Contractor** requires the services of other **Contractors**, an amendment to this agreement will be required.

2. Further, **Contractor** for itself and its RNs, shall fully indemnify and hold the **School Board** and its officers and employees harmless for any violation of this covenant, including, but not limited to defending the **School Board** and its officers and employees against any complaint, administrative or judicial proceeding, payment of any penalty imposed upon the **School Board** or payment of any and all costs(s), damages (s), judgment(s), or loss(es) incurred by or imposed upon the **School Board** arising out of the breach of this covenant by the **Contractor**, or its RNs, to the extent and only to the extent that the **Contractor** or its RNs shall either intentionally or negligently violate the provisions of this covenant, or Sections 1002.22 or 1002.221, Florida Statutes. **This provision shall survive the termination**

of or completion of all performance or obligations under this Agreement and shall be fully binding upon Contractor until such time as any proceeding brought on account of this covenant is barred by any applicable statute of limitations.

The RNs and staff members who will be performing the services under this Agreement will only be allowed access to relevant student records in order to perform the required services. 5. **Termination.** The **School Board**, or designee, may terminate this agreement immediately, in its sole discretion.

6. **Independent Contractor.** The **Contractor** certifies that it is an independent **Contractor** and shall not employ, contract with, or otherwise use the services of any officer or employee of the **School Board**. The **Contractor** certifies that its owner, officers, directors or agents, or members of their immediate family, do not have an employee relationship or other material interest with the **School Board**.

Nothing herein shall be construed as a waiver of sovereign immunity or consent by either party to be sued by third parties in any matter arising out of this Agreement.

8. **Laws and Regulations.** This agreement, and all extensions, supplements and modifications thereto, and all questions relating to its validity, interpretation, performance or enforcement shall be governed by and construed in accordance with the laws of the state of Florida. NOW THEREFORE, In consideration of the Sum of Ten and No/100 (\$10.00) Dollars and the covenants stated, and other good and valuable considerations, the receipt of which is hereby acknowledged, the BOARD and UDT hereby agree as follows:

Article III
SUBCONTRACTORS

UDT will provide all personal computing devices, support services, and licenses utilizing authorized subcontractors. Exhibit A list of subcontractors to be utilized by UDT to fulfill its obligations is attached hereto and incorporated herein as Exhibit A - Subcontractors. Additional subcontractors may be utilized by UDT as mutually agreed by UDT and the School District. UDT will provide full technical support and services required to fulfill the terms of this agreement.

Article IV

Article V

Provided the School Board enters into a license agreement with Intel for the use of the training materials, all training materials provided by Intel for the District will be given to the District as a no-cost license to use, reproduce, distribute, and implement these training materials for a period of five years for use with any District personnel as needed to support the project. Intel will maintain all intellectual property rights to content.

Article VII
PAYMENT

The BOARD shall pay UDT for products and services rendered in accordance to the terms set forth in Exhibit B. Exhibit B, Quote Proposal Form, attached hereto and incorporated herein may be amended yearly by the written agreement of both parties. For those products in Exhibit B (or such products equal or superior to them), Product pricing shall remain fixed for twelve (12) months from the Effective Date of this Agreement with an option for annual adjustments based on verifiable market conditions and as agreed by both parties. During this initial twelve (12) month period from the Effective Date of this Agreement, products requiring transition will be replaced with equal or better product at the same price. Pursuant to this agreement, Procurement Management Services may purchase up to the total estimated amount of \$60,000,000 for the entire RFI, regardless of vendor, in devices, inclusive of the service terms. The foregoing specified monetary limit shall not preclude Procurement Management Services from making additional purchases of the mobile devices as set forth in the Quote Proposal Form and at the agreed upon pricing, utilizing other funding sources, including, but not limited to, prior Board approved funding and grant funds. Throughout the term of this agreement, UDT will honor the same product pricing for the same devices, as set forth in the Quote Proposal Form, for any independently purchased devices by school sites or by Procurement Management Services irrespective of the funding source. Authorization of the above stated amount does not mean the amount shown will be expended. Anything to the contrary notwithstanding, and in spite of any available funding and the aforementioned authorized spending limit, the School Board is not obligated to purchase any devices from UDT.

UDT must pass on to the BOARD fair compensation for rebates or bill-backs from manufacturers as set forth in 7 CFR 210.21(f).

More Favorable Provisions (MFP): If during the Term of this Agreement UDT provides the same products or services contemplated by and specified in this Agreement to another metropolitan school district in the State of Florida on economic terms materially more favorable to the purchaser than those contained in this Agreement, UDT shall immediately extend those more favorable terms to the School Board.

Article VIII

School Board reserves the right, at the time of delivery or within thirty (30) days of delivery to reject and hold, at UDT's expense and subject to UDT's disposal instructions, all products not conforming to School Board specification as delineated in the RFI. In addition, if any of the products are found at any time to be defective or otherwise not in conformity with School Board's requirements, School Board may, in addition to such other rights as it may have by contract or by law reject and return the Goods at UDT's expense.

Article IX
INTELLECTUAL PROPERTY RIGHTS

If a third party claims that a UDT branded product or product provided by UDT under this Agreement infringes that party's patent or copyright, UDT will defend Board against that claim at its expense and pay all costs, damages, and attorney's fees that a court finally awards, provided that Board: (a) promptly notifies UDT in writing of the claim; and (b) allows UDT to control, and cooperates with UDT in the defense and any related settlement negotiations. If such a claim is

made or appears likely to be made, Board shall permit UDT to enable Board to continue to use the Product; to modify it; or to replace it with one that is at least functionally equivalent. If UDT determines that none of these alternatives is reasonably available, Board shall return the Product to UDT at its written request. UDT will in such case provide a refund to Board equal to the amount paid for the returned Product.

UDT shall have no obligation regarding any claim based upon (i) anything Board provides which is incorporated into, or combined with a Product; (ii) Board's modification of a Product; (iii) UDT's compliance with Board's specifications or requirements upon notification from UDT of possible infringement; or (iv) infringement by a third party Product alone, as opposed to its combination with a UDT branded Product.

Article X
TERM OF AGREEMENT

The term of the AGREEMENT shall be for a period of three (3) years from date of execution by the last party and may upon mutual agreement with UDT and the School Board, be extended for an additional two (2) one-year periods. The Board, through the Procurement Management Services, will, if considering extending, request a letter of intent to extend from UDT prior to the end of the current contract period. If needed, the contract will be extended 90 days beyond the contract expiration date. Product pricing shall remain fixed for a one (1) year period with an option for annual adjustments based on verifiable market conditions. The Board reserves the right to request weekly or monthly pricing on select items. Documentation shall be provided by UDT and The School Board, through Procurement Management Services, shall, if considering extending, request a letter of intent to extend from UDT, prior to the end of the current contract period. UDT will be notified when the recommendation has been acted upon.

Article XI
TERMINATION

The School Board reserves the right to cancel the contract at the end of any contract term. In addition, in the event the services rendered do not comply with the provisions of the proposal and/or the quality of services is found to be, in District's sole discretion, unsatisfactory, the District reserves the right to cancel the AGREEMENT for cause upon thirty (30) days prior written Notice of Intent to Terminate for Cause. In that event, the party being terminated shall cease all further activities under the AGREEMENT. In the event that the termination for cause is subsequently determined to have been improper, the termination shall be deemed a Termination for Convenience and the provisions for such termination shall govern the rights and responsibilities of the parties. The BOARD shall only be responsible for payment for products delivered and services rendered up to the date of termination of the AGREEMENT.

Article XII
TERMINATION FOR CONVENIENCE

The BOARD reserves the right to terminate this AGREEMENT at any time and for any reason upon giving thirty (30) days' notice to the other Party. In the event said AGREEMENT is terminated for convenience as provided herein, the BOARD will be relieved of all obligations under said AGREEMENT. The BOARD will only be required to pay that amount of the AGREEMENT

actually performed up to the date of termination. Upon such payment, both parties shall be relieved of any further obligations under this AGREEMENT.

Article XIII
ATTORNEY'S FEES AND COSTS

If any administrative proceeding or litigation is commenced to enforce or interpret any provision of this Agreement or to seek a declaration of rights of a party under this Agreement (whether by suit for declaratory judgment or otherwise), or as a result of any breach of this Agreement, each party shall be responsible for its own fees, costs and expenses incurred in connection with such proceeding or litigation (including any appeals and appellate proceedings), including, without limitation, attorney's fees.

Article XIV
COMPLIANCE WITH LAWS

Each party shall comply with all federal, state of Florida and local laws applicable to it and the performance of its obligations under this Agreement. UDT shall be responsible for compliance with all federal, state, county and local laws, ordinances, rules and regulations, whichever is most stringent, that in any way may affect its compliance with terms and conditions of this Agreement.

Article XV

UDT shall pay all federal income taxes, state taxes, and fees levied on or measured by UDT's net income, and similar taxes, fees and charges, as well as all excise, use, and other similar taxes required by laws which are in effect or which may be promulgated in the future. The BOARD represents that it is exempt from Florida state sales taxes, and it will reasonably cooperate with UDT in providing proof of this exemption to third parties as required.

Article XVI
NO THIRD PARTY BENEFICIARIES

The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this Agreement. Nothing herein shall be construed as consent by an agency or political subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

3. Overview of the Enrollment for Education Solutions.

This Enrollment allows Institution to license Products on a subscription basis across its Organization. Institution defines its Organization and can select from two different licensing options ((1) Faculty and Staff or (2) Students), depending on the Users it wishes to enable to use the Products licensed.

Institution may attach pages to this Enrollment if additional rows are needed.

5. **Licensing options; license grant.**

Choosing a licensing option. Institution may license Desktop Platform Products and Additional Products licensed Organization-wide for (1) Faculty and Staff and/or (2) Students. Institution must indicate the option(s) it chooses by marking the applicable box below and provide its initial Organization-wide Count and/or Student Count, as applicable. Institution must select at least one licensing option.

Licensing Options.

- a. Faculty and Staff:** If Institution selects this option, Institution's Organization-wide Count must include all Faculty and Staff in its Organization. In calculating its Organization-wide Count, Institution must count a full-time member of its Faculty and Staff as 1, a part-time member of its Faculty as 1/3, and a part-time member of its Staff as 1/2.
- b. Students:** If Institution selects this option, Institution's Student Count must include all of the Students in its Organization. In calculating its Student Count, Institution must count a full-time Student as 1 and a part-time Student as 1/3.

Institution must provide an Organization-wide Count and/or Student FTE count even if only ordering Platform Online Services to meet Enrollment minimum requirements.

Category	Institution's Selection	Organization-wide Count and/or Student Count, as applicable
1. Faculty and Staff	<input checked="" type="checkbox"/>	2046
2. Students	<input checked="" type="checkbox"/>	15406

License grant. So long as Institution places orders pursuant to the Agreement and this Enrollment for any required Licenses and pays per the agreement with its reseller, Institution (and/or its Students, as applicable) will have the following rights during the term of this Enrollment:

- a.** If the Faculty and Staff option is chosen, each Qualified User in the Organization (including Students and public users of Qualified Desktops in an open lab) may run the Desktop Platform Products and the Additional Products licensed on an Organization-wide basis on any Institution Qualified Desktop. Institution is not required to count members of the public who access PCs that remain in Institution's open access labs or libraries. Institution may not permit remote access to software installed on PCs in open access labs or libraries. In the case of CALs, Institution may assign (1) a device CAL to each Institution Qualified Desktop and (2) a user CAL to each Faculty and Staff member, in both cases to access Institution's associated server software.
- b.** If the Student option is chosen, each Student in the Organization may run one instance of the licensed Desktop Platform Products and one instance of any Additional Products licensed Organization-wide on a Student Qualified Desktop. In the case of CALs, Institution may assign a user CAL to each Student to access Institution's associated server software. Student's right to use the software shall be governed by and subject to the relevant sections of the most current Product Use Rights.

Institution may run as many instances of other Additional Products as it wishes so long as adheres to the terms of the Agreement and this Enrollment and pays per the agreement with its reseller. Order quantities of Additional Products must be equal to the number of instances Institution runs.

If Institution is licensing Office Professional and SharePoint Server CAL (Enterprise or Standard) for Faculty and Staff in its Organization under this Enrollment, then Institution's Students and their parents may use Office Web Applications at no charge for the purpose of Students' education at Institution. There is no buy-out option for Office Web Applications.

6. Price levels and prices.

Price levels. Institution's Organization-wide Count or Student Count, as applicable, determines the price level of Desktop Platform Products. If Institution chooses to extend this Enrollment, the price level will be reset at the start of the extension term based on Institution's Organization-wide Count and/or Student Count at the time the extension order is placed. There are no price levels for Additional Products. Institution's price level does not change during the term of the Enrollment.

Select Price Level that Applies to Faculty and Staff Option	Organization Wide Count	Price level (Only Applicable For Desktop Platform products)
<input checked="" type="checkbox"/>	1,000	A
<input type="checkbox"/>	3,000	B
<input type="checkbox"/>	10,000	C

Select Price Level that Applies to Student Option	Student Count	Price level (Only Applicable For Desktop Platform products)
<input type="checkbox"/>	1,000	A
<input type="checkbox"/>	3,000	B
<input checked="" type="checkbox"/>	10,000	C
<input type="checkbox"/>	25,000	D

Prices. The price Institution will pay to license the Products will be determined by agreement between Institution and its reseller. However, Microsoft will provide the reseller with pricing at the outset of this Enrollment and will not increase the prices that it charges the reseller for the Products during the term of the Enrollment.

7. How to order Products.

- a. **Price and payment terms.** Price and payment terms for all Licenses ordered will be determined by agreement between Institution and its reseller.
- b. **Placing the initial order.** Orders must be submitted within 30 days of the Enrollment Effective Date. Institution may submit orders for Products that were not part of Institution's initial order, provided the order is placed in the same calendar month in which copies of the Products are first run. The following terms apply to initial orders and non-anniversary orders for Products not previously ordered:
 - (i) The initial order under the Enrollment must include Licenses for at least one Desktop Platform Product equal to Institution's Organization-wide Count or Student Count OR at least 1,000 Licenses for one or more Platform Online Services to be run by either Faculty and Staff or Students.
 - (ii) Orders for Licenses for Desktop Platform Products and all component products that are part of the Desktop Platform Products must include a number of Licenses equal to Institution's Organization-wide Count.
 - (iii) Licenses for Platform Online Services must be ordered in the exact quantity needed, provided such quantity is at least 1,000.

- (iv) Once the minimum ordering requirements under this Enrollment have been satisfied, Licenses for Additional Products must generally be ordered in any quantity needed, regardless of the Organization-wide Count or Student Count, provided sufficient Licenses are ordered to cover the use of the Additional Products. Licenses for certain Additional Products designated in the Product List, however, are required to be ordered in an amount equal to Institution's Organization-wide Count.
- (v) Licenses for Products offered under the Student offering must be ordered in an amount equal to the Student Count, with the exception of Online Services and certain other Products designated in the Product List. Once the minimum ordering requirements under this Enrollment have been satisfied, additional Licenses for Online Services other than Platform Online Services under the Student Offering may be ordered in any quantity, regardless of the Student Count, provided sufficient Licenses are ordered to cover the use of the Online Services. From time to time, Microsoft may offer additional licensing options for Students based on Licenses for Products ordered for Institution's Organization-wide Count, which will be described in the Product List.
- (vi) The Licensed Period for additional orders will be the same as the Licensed Period for Products ordered as part of the initial order.

c. Adding more copies of Products previously ordered (non-anniversary).

- (i) For Desktop Platform Products and Additional Products licensed Organization-wide, Institution is not required to obtain additional Licenses based on increases in the Organization-wide Count or Student Count after the date of the order. Institution must provide Microsoft with an updated Organization-wide Count and Student Count, however, on each anniversary of the Enrollment Effective Date during the Licensed Period.
- (ii) Except as provided in subsection (b)(i) above, Institution's right to run Additional Products and Online Services is based on the number of Licenses Institution has acquired for such Products. At any time during the Licensed Period (including any extension), Institution may only run the number of copies of a Product permitted by the Licenses purchased. Institution may order additional Licenses for Products as needed to run additional copies of Products. Institution must order additional Licenses for Products in the same calendar month in which the Products are first run.

Microsoft will invoice the reseller for Products ordered on a pro-rated basis corresponding to the number of full calendar months remaining in the Licensed Period to a minimum of 6 months. Microsoft will invoice the reseller for Online Services ordered on a pro-rated basis based on the number of full calendar months remaining in the Licensed Period. If Institution subsequently orders Licenses for additional Products that were not included on Institution's initial order, Microsoft will use the price list in effect on the date of the invoice to charge Institution's reseller for the additional Licenses. If Institution subsequently orders additional Licenses for Products that were included in Institution's initial order, Microsoft will use the price list in effect when the product was initially ordered to charge Institution's reseller for the additional Licenses.

d. Extension orders and subsequent annual orders. Institution must submit extension orders as follows:

- (i) **One-year Licensed Period.** Institution must submit an extension order to extend the Enrollment for another Licensed Period. Microsoft must receive the extension order prior to the expiration of the Licensed Period. Institution may change the Product selection and quantity of Licenses ordered in each extension order.
- (ii) **Three-year Licensed Period.** Microsoft must receive an anniversary order prior to each anniversary of the Enrollment Effective Date of the three-year Licensed Period. Microsoft must receive any extension order prior to the expiration of the initial three-year Licensed Period. Each anniversary order must include Licenses for at least the same types and quantities of Products as Institution ordered during the year following the Enrollment

Effective Date, except for step-ups and any Additional Products not ordered Organization-wide. When placing anniversary orders, Institution may order fewer Licenses for Online Services than the quantity of Institution's initial order as long as the anniversary order meets the minimum requirements for Platform Online Services.

- e. **Buy-out order.** If a buy-out option is available, Institution may order perpetual Licenses for Desktop Platform Products and Additional Products licensed Organization-wide in an amount at least equal to the Organization-wide Count, but not more than the number of Qualified Desktops in the Organization on the date of the buy-out order. The number of perpetual Licenses Institution may order for Additional Products shall be equal to the lowest number of Licenses ordered during any of the three 12-month periods immediately preceding the expiration of the Enrollment.
- f. **How to confirm orders.** Microsoft will publish password-protected information about orders placed by Institution, including an electronic confirmation of each order, b at <https://www.microsoft.com/licensing/servicecenter> or a successor site. Upon Microsoft's acceptance of this Enrollment, the individual designated by Institution as its Online Administrator will be granted access to this site.
- g. **Step up to a higher Product edition.** If a previously ordered Product has multiple editions, Institution may acquire a License for the higher-level software edition by "stepping up" (e.g., from Core CAL to Enterprise CAL or from SQL Server Standard Edition to SQL Server Enterprise Edition). The order requirements set forth in subsection 7(c) above apply to all step-ups.

8. Work at home rights.

During the Licensed Period, Faculty and Staff who are the primary users (as defined in the Product Use Rights) of an Institution Qualified Desktop running one or more Products licensed by Institution may run one copy of each licensed Product on a home PC that they own or lease (or, for work at home rights for a Client Access License, to access the server Products licensed by Institution from a home PC that they own or lease), solely for work-related purposes. The total number of Faculty and Staff exercising work at home rights for Desktop Platform Products and Additional Products licensed Organization-wide may not exceed Institution's Organization-wide Count. For other Additional Products, the total number of Faculty and Staff exercising work at home rights may not exceed the number of Licenses Institution has acquired for such Additional Products. If Institution upgrades the Product on the Qualified Desktop used by a Faculty or Staff member, the corresponding copy of the Product run on a home PC may likewise be upgraded. Work at home rights for Faculty or Staff automatically terminate upon cessation of employment by or other affiliation with Institution, and the Product may no longer be run on the home PC. Though Microsoft may offer both work at home rights and home use program rights under Software Assurance for a Product, Institution must choose to utilize either work at home rights or home use program rights for such Product, but not both.

9. Perpetual Licenses for Graduates.

Institution may, at any time during the Enrollment term, transfer certain Licenses to run Products on a Student Qualified Desktop to any Graduate. Institution must provide each such Graduate with a license agreement in the form provided by Microsoft. Upon the Graduate's acceptance of the terms of the license agreement, the Graduate's right to run the Products identified in the license confirmation becomes perpetual. Institution may not, however, transfer rights related to access Licenses, including CALs, or to Online Services to Graduates.

10. Education Server Platform Licensing Option.

If Institution licenses one or more of the CAL Products and corresponding Server Platform Products listed in the table below for the aggregate of Institution's Organization-wide Count (at least 1,000) and Student

Count (at least 1,000), Institution may run unlimited instances of any edition of the corresponding server Products that constitute the Server Platform Products available through this Enrollment.

Unless Institution chooses to step up to a higher Product edition, Institution must order the Products selected from the table below as part of each anniversary order. If there is an increase in Institution's Organization-wide Count or Student Count, Institution must submit an order for all CAL and Server Platform Products equal to the new count. Institution may aggregate the number of Licenses for CAL Products ordered under a Qualifying Enrollment to satisfy quantity requirements of this Enrollment, provided that such Qualifying Enrollment or its successor is valid and in effect during the term of this Enrollment.

Server Platform Products licensed under this licensing option may only be used by Faculty and Staff and Students in the Organization and by licensed external users using the Server Platform Products for the benefit of the Organization.

Licenses acquired under this section may not be transferred to Graduates. Institution may buy out CAL Products, but not Licenses for Server Platform Products acquired under these terms. Institution is prohibited from transferring Licenses acquired under this section.

Institution's use of the Products that constitute the Server Platform Products is subject to the Product Use Rights for the Server Platform Products.

Product Selection			
	CAL Product Selected	Server Platform Product Selected	Server Product included for Unlimited Deployment
<input type="checkbox"/>	SQL Server CALs	SQL Server Platform Academic	Unlimited Licenses for all editions of the corresponding server Products, plus all editions of BizTalk Server and associated external connectors.

11. Qualifying systems Licenses.

The desktop operating system Licenses granted under this program are upgrade Licenses only. Full desktop operating system Licenses are not available under this program. If Institution selects the Windows Desktop Operating System Upgrade, all Qualified Desktops on which Institution runs the Windows Desktop Operating System Upgrade must be licensed to run one of the qualifying operating systems identified in the Product List at <http://www.microsoft.com/licensing/contracts>. Note that the list of operating systems that qualify for the Windows Desktop Operating System Upgrade varies with the circumstances of the order. That list may be more extensive at the time of Institution's initial order than it is for some system refreshes at other times during the term of the Licensed Period. Exclusions are subject to change when new versions of Windows are released.

For example, the following are not considered qualifying operating systems: (1) embedded operating systems; (2) Linux; and (3) OS/2. These are examples of exclusions only. Please see the Product List for all current qualifying operating systems.

12. Options upon completion of a Licensed Period.

Microsoft will notify Institution in writing prior to the expiration of the Enrollment. The notice will advise Institution of the option to (1) extend the Enrollment, (2) submit a new Enrollment, (3) exercise the buy-out option, or (4) allow the Enrollment to expire. Microsoft will not unreasonably reject any extension order or new Enrollment. However, Microsoft may make a change to this program that will make it necessary for Institution to enter into a new agreement prior to extending or submitting new Enrollment. Each Licensed Period will start the day following the expiration of the prior Licensed Period:

- a. One-year Licensed Period.** Institution may elect to extend an initial one-year Licensed Period for (1) up to five consecutive terms of 12 full calendar months or (2) one term of 36 full calendar months.
- b. Three-year Licensed Period.** Institution may elect to extend an initial three-year Licensed Period for either (1) up to three terms of 12 full calendar months or (2) one term of 36 full calendar months.
- c. Buy-out option.** Institution may elect to obtain perpetual Licenses for Products licensed under this Enrollment, provided it has licensed such Products under one or more Enrollments (including any extensions) under the Agreement (or a predecessor agreement) for at least 36 full calendar months immediately preceding expiration of this Enrollment. The evaluation shall speak to the benefits of the speed of erection and early completion of the Project. He shall furnish pertinent information as to the availability of materials and labor that will be required. He shall submit to the Owner, Permitting Authority and Architect-Engineer such comments as may be appropriate concerning construction feasibility and practicality. He shall call to the Project Manager's and the Architect-Engineer's attention any apparent defects in the design, drawings and specifications or other documents. He shall prepare an estimate of the Construction Cost utilizing the unit quantity survey method.

(2) Report Review and Warranty

Promptly after completion of the review, he shall submit to the Project Manager and Permitting Authority, with copies to the Architect-Engineer, a written report covering suggestions or recommendations previously submitted, additional suggestions or recommendations as he may deem appropriate, and all actions taken by the Architect-Engineer with respect to same, any comments he may deem to be appropriate with respect to separating the work into separate contracts, alternative materials, and all comments called for under Article 2.2.

When each item is identified, the Construction Manager shall notify the Subcontractors, the Project Manager and the Architect-Engineer of the required

procurement and schedule. Such information shall be included in the bid documents and made a part of all affected subcontracts. As soon as the Architect-Engineer has completed drawings and technical specifications and the Construction Manager has obtained permitting approval, the Construction Manager shall prepare invitations for bids. The Construction Manager shall keep himself informed of the progress of the respective Subcontractors or suppliers, manufacturing or fabricating such items and advise Project Manager, Owner and Architect-Engineer of any problems or prospective delay in delivery.

The Construction Manager is responsible for proper care and maintenance of all equipment while in his control.

(5) Weather Protection

The Construction Manager shall ascertain what temporary enclosures, if any, of building areas should be provided for and may be provided as a practical matter, in order to assure orderly progress of the work in periods when extreme weather conditions are likely to be experienced. He shall submit to the Construction Team his recommendations as to needed requirements of this nature and as to the Contract or contracts in which they should be included.

(6) Labor and Material Recommendations

(a) The Construction Manager shall monitor conditions in the construction market to identify factors that will or may affect costs and time for completing the Project; he shall make analysis as necessary to (1) determine and report on availability of labor, material, equipment, potential bidders, and possible impact of any shortages or surpluses of labor or material, and (2) in light of such determinations, make recommendations as may be appropriate with respect to long lead procurements, separation of construction into bid packages, sequencing of work, use of alternative materials, equipment or methods, other economics in design or construction, and other matters that will promote cost savings and completion within the scheduled time.

(b) Within thirty (30) days after receiving Notice to Proceed, the Construction Manager shall submit a written "Construction Market Analysis and Prospective Bidders Report" setting out recommendations and providing information as to prospective bidders. As various bid packages are prepared for bidding, the Construction Manager shall submit to the Project Manager and the Architect-Engineer a list of potential bidders. In the event the Construction Manager fails to report, such failure shall be deemed an acceptance of the Work performed by the Owner or separate Construction Manager by the Construction Manager and that the Work is fit and proper.

**ARTICLE 6
SCHEDULE, TIME OF COMMENCEMENT
AND SUBSTANTIAL COMPLETION**

6.1 At the time a Guaranteed Maximum Price (GMP) is established, as provided for in Article 7, a Project Substantial Completion Date, a Project Final Completion Date and an Owner Occupancy Date for completion of the Project in accordance with the master Project Schedule, shall also be established by the Construction Team. The Construction Manager agrees to complete the Construction in accordance with the agreed upon Substantial Completion Date, Final Completion Date and Owner Occupancy Date. Any request for extensions of the Final Completion Date must be approved by the School Board of Indian River County. Determination of final completion and acceptance shall be approved by the School Board of Indian River County. The Construction Manager acknowledges that failure to complete the Project within the construction time set forth in the approved schedule will result in substantial damages to the Owner

- 6.2 The date of Owner Occupancy shall occur as described in Article 2.3(12) hereinabove. Warranty called for by this Agreement or by the Drawings and Specifications shall commence on the date of Owner Occupancy of the Project

ARTICLE 7 GUARANTEED MAXIMUM PRICE FOR CONSTRUCTION

- 7.1 When the Construction Documents are sufficiently complete to establish the scope of work for the Project or any portion thereof, as generally defined by a design document listing to be provided by the Architect-Engineer and Construction Manager upon execution of this Agreement, which is to be used only as a guide in developing the Specifications and plan data necessary to establish a Guaranteed Maximum Price, or at such time thereafter designated by the Owner, the Construction Manager will establish and submit in writing to the Owner for his approval a Guaranteed Maximum Price, guaranteeing the maximum price to the Owner, for the Construction Cost of the Project or designated part thereof. Such Guaranteed Maximum Price will be subject to modification for changes in the Project as provided in Article 10. However, the actual price paid for the work by the Owner shall be the actual cost of all work subcontracts, supply contracts, direct labor costs, direct supervision costs, and direct job costs as defined under Article 9, plus the Construction Manager's fees or the GMP, whichever is less when the work is complete.
- 7.2 The GMP will only include those taxes in the Cost of the Project which are legally enacted at the time the GMP is established.
- 7.3 When the Project is bid and 100% of the Trade Contracts have been executed, the contingency within the GMP may be decreased in proportion to the percent of the work completed at the request of the Owner. In other words, if 10% of the work has been completed and the Owner requests that the contingency within the GMP be adjusted, then 10% of the contingency within the GMP will be removed from the GMP by Change Order.
- 7.4 At the time of submission of a Guaranteed Maximum Price, the Construction Manager will verify the time schedule for activities and work which were adopted by the Construction Team and used to determine the Construction Manager's cost of work. In addition to the cost of work, a GMP will include an agreed upon sum as the Construction Contingency which is included for the purpose of defraying the expenses due to unforeseen circumstances relating to construction. The Construction Manager will be required to furnish documentation evidencing expenditures charged to this contingency prior to the release of funds by the Owner. Documentation for use of the Contingency shall be determined by the Construction Team, included in the Project Manual and displayed monthly in the PMIS. The Architect-Engineer shall verify the actual costs. If bids are received below the applicable line items in the GMP, the surplus will be added to the contingency.

If bids are received above the applicable line item in the GMP, the deficiency will be taken from the contingency; however, such events shall not be cause to increase the GMP.

If bids are not received for a portion of the work at or below the applicable line item amount in the GMP, the Construction Manager reserves the right to perform that portion of the work or negotiate for its performance for the specified line item lump sum amount or less.

ARTICLE 8 CONSTRUCTION MANAGER'S FEE

All changes in the Project not covered by an authorized contingency shall be authorized by Change Order signed by the Owner before the change is implemented.
 - 10.1.1 A Change Order is a written order to the Construction Manager signed by the Owner issued after the execution of this Agreement, authorizing a change in the Project, the Construction Manager's fee, or the Construction Completion Date. Each adjustment in the GMP resulting from a Change Order shall clearly separate the amount attributable to the Cost of the Project.
 - 10.1.2 The increase or decrease in the Guaranteed Maximum Price (GMP) resulting from a change in the Project shall be determined in one or more of the following ways:
 - (1) by mutual acceptance of a lump sum properly itemized and supported by sufficient substantiating data to permit evaluation by the Architect-Engineer and Owner. For the purposes of this subparagraph, proper itemization and support includes complete itemized statements showing quantities and unit prices for material, labor (including all applicable fringe benefits), equipment, markup for overhead and profit, and other items of cost. Costs of labor (including all applicable fringe benefits) and materials shall be actual costs to the subcontractor;

The cost of such Work shall then be determined on the basis of the reasonable expenditures and savings of those performing the Work attributed to the change. However, in the event a Change Order is issued under these conditions, the Architect-Engineer will establish an estimated cost of the work, and the Construction Manager shall not perform any work whose cost exceeds that estimate without prior written approval by the Owner. In such case, and also under Article 10.1.2 above, the Construction Manager shall keep and present, in such form as the Owner may prescribe, an itemized accounting together with appropriate supporting data of the increase in the Cost of the Project as outlined in Article 9. The amount of decrease in the GMP to be allowed by the Construction Manager to the Owner for any deletion or change which results in a net decrease in cost will be the amount of the actual net decrease.

10.1.4 If unit prices are stated in the Agreement or subsequently agreed upon, and if the quantities originally contemplated are so changed in a proposed Change Order that application of the agreed unit prices to the quantities of Work proposed will cause substantial inequity to the Owner or the Construction Manager, the applicable unit prices and GMP shall be equitably adjusted.

10.1.5 Should concealed conditions encountered in the performance of the Work below the surface of the ground or should concealed or unknown conditions in an existing structure be at variance with the conditions indicated by the Drawings, Specifications or Owner furnished information, or should unknown physical conditions below the surface of the ground or should concealed or unknown conditions in an existing structure of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in work of the character provided for in the Agreement, be encountered, the GMP and the Construction Completion Date shall be equitably adjusted by Change Order upon a request for Change Order in accordance with Article 10.2.

10.2 Claims for Additional Cost or Time All claims for additional cost or time shall be made by request for a Change Order submitted as provided in Article 16.

If the Construction Manager is delayed at any time in the progress of the work by any act or neglect of the Owner or the Architect or of any employee of either or by any separate Construction Manager employed by the Owner or by any changes ordered in the work by labor disputes, fire, or unusual delay in transportation, unavoidable casualties or any causes beyond the Construction Manager's control or by delay authorized by the Owner pending resolution of disputes, and such delay extends the Completion Date, the Substantial Completion shall be extended by Change Order for such reasonable time as the Construction Team may determine. Any such claims for additional cost or time must be approved by the School Board of Indian River County.

Only delays which are determined to extend the critical path of the Schedule for constructing the Project will result in a time extension. Neither the Owner nor the Construction Manager shall be considered to own the schedule float time.

- 10.3 Minor Changes in the Project The Architect-Engineer will have authority to order minor changes in the Project not involving an adjustment in the GMP or an extension of the Construction Completion Date and not inconsistent with the intent of the Drawings and Specifications. Such changes shall be effected by written order. Documentation of changes shall be determined by the Construction Team, including the Project Manual and displayed monthly in the PMIS. Changes shall be approved by the Project Manager, Architect-Engineer.
- 10.4 Emergency In any emergency affecting the safety of persons or property, the Construction Manager shall act at his discretion, to prevent threatened damage, injury or loss. Payments by the Owner to the Construction Manager shall be made as described in Article 19.6, hereinafter.

In the event the Construction Manager fails to furnish such certifications as the Owner reasonably requires to satisfy the Owner that there are no outstanding liens, the Owner may require the Construction Manager as a condition of final payment and at the Construction Manager’s expense, to furnish a bond in a form and amount satisfactory to the Owner to indemnify the Owner against such liens or claims. The one year warranty period for the work will begin at Owner Occupancy. Warranty will be for all workmanship, material, and equipment except for Owner insured damages.

- 12.3 Payments to Subcontractors The Construction Manager shall promptly, within ten (10) days after receipt of payment from the Owner, pay all the amount due Subcontractors less a retainage of ten percent (10%) until the Project is fifty percent (50%) complete, and based on Construction Manager’s evaluation of the Subcontractor’s acceptable performance, the Owner may approve a reduction in retainage from 10% to 5% thereafter. If there should remain items to be completed, the Construction Manager and Architect-Engineer shall list those items required for completion, and the Construction Manager shall require the retainage of a sum equal to 200% of the estimated cost of completing any unfinished items, provided that said unfinished items are listed separately and the estimate cost of completing any unfinished items likewise listed separately. Thereafter, the Construction Manager shall pay to the Subcontractors, monthly; the amount retained for each incomplete item after each of said items is completed. Before issuance of final payment without any retainage, the Subcontractors shall submit satisfactory evidence that all payrolls, material bills and other indebtedness connected with the Project have been paid or otherwise satisfied, warranty information is complete, as-built markups have been submitted, and instruction for the Owner’s operating and maintenance personnel is complete.

ARTICLE 14 TERMINATION OF THE AGREEMENT AND OWNER'S RIGHT TO PERFORM CONSTRUCTION MANAGER'S OBLIGATION

14.1 Termination by the Construction Manager

If the Project is stopped for a period of thirty (30) days under an order of any court of other public authority having jurisdiction or as a result of an act of government, such as a declaration of a national emergency making materials unavailable, through no act or fault

of the Construction Manager, or if the Project should be stopped for a period of sixty (60) days by the Construction Manager, for the Owner's failure to make payments thereon, then the Construction Manager may, upon seven (7) days written notice to the Owner, request payment for all work executed, the Construction Manager's fees earned to date, and for any proven loss sustained upon any materials, equipment, tools, construction equipment, and machinery, including reasonable profit, damages and terminal expenses incurred by the Construction Manager.

14.2 Owner's Right to Perform Construction Manager's Obligations and Termination by Owner for Cause

- (1) If the Construction Manager fails to perform any of his obligations under this Agreement including any obligation he assumes to perform work with his own forces, the Owner may, after seven (7) days written notice during which period the Construction Manager fails to perform such obligation, make good such deficiencies. The GMP, or the actual Cost of the Project, whichever is less, shall be reduced by the cost to the Owner of making good such deficiencies, and the Construction Manager's Construction Phase Fee shall be reduced by an amount required to manage the making good of such deficiencies.
- (2) If the Construction Manager is adjudged a bankrupt, or if he makes a general assignment for the benefit of his creditors, or if a receiver is appointed on account of his insolvency, or if he persistently or repeatedly refuses or fails, except in case for which extension of time is provided, to supply enough properly skilled workmen or proper materials and fails to maintain an established schedule (failure to maintain schedule shall be defined as any activity on the critical path that falls 45 days or more behind schedule) which has been adopted by the Construction Team, or if he fails to make prompt payment to Subcontractors for materials or labor, or persistently disregards laws, rules, ordinances, regulations or orders of any public authority having jurisdiction, or otherwise is guilty of a substantial violation of a provision of the Agreement, then Owner may, without prejudice to any right or remedy and after giving the Construction Manager and his surety, if any, seven (7) days written notice, during which period Construction Manager fails to cure the violation, terminate the employment of the Construction Manager and take possession of the site and of all materials, equipment, tools, construction equipment and machinery thereon owned by the Construction Manager, and may finish the Project by whatever method he may deem expedient. In such case, the Construction Manager shall not be entitled to receive any further payment until the Project is finished, nor shall he be relieved from his obligations assumed under Article 7. Reasonable terminal expenses incurred by the Owner may be deducted from any payments left owing the Construction Manager (excluding monies owed the Construction Manager for subcontract work).

14.3 Termination by Owner Without Cause

- (1) If the Owner terminates this Agreement other than pursuant to Article 14.2(2) or Article 14.3(2), he shall reimburse the Construction Manager for any unpaid Cost of the Project due him under Article 9, plus that part of the unpaid balance of the Construction Phase Fee in an amount as will increase the payment on account of his fee to a sum which bears the same ratio to the Construction Phase Fee as the

Cost of the Project at the time of termination bears to the GMP, if established, otherwise to the Owner's Construction Budget. The Owner shall also pay to the Construction Manager fair compensation, either by purchase or rental at the election of the Owner, for any equipment retained. In case of such termination of Agreement the Owner shall further assume and become liable for obligations, commitments and unsettled contractual claims that the Construction Manager has previously undertaken or incurred in good faith in connection with said Project. The Construction Manager shall, as a condition of receiving the payments referred to in this Article 14, execute and deliver all such papers and take all such steps including the legal assignment of his contractual rights, as the Owner may require for the purpose of fully vesting in him the rights and benefits of the Construction Manager under such obligations or commitment.

- (2) After the establishment of the GMP or at the completion of the Design Phase, if the final cost estimates or lack of funding make the Project no longer feasible from the standpoint of the Owner, the Owner may terminate this Agreement and pay the Construction Manager his proportionate fee due in accordance with Article 8.1 plus any costs incurred pursuant to Articles 9 and 10.

ARTICLE 15 ASSIGNMENT AND GOVERNING LAW

- 15.1 Neither the Owner nor the Construction Manager shall assign his interest in this agreement without the written consent of the other, except as to the assignment of proceeds.
- 15.2 This agreement shall be governed by the laws of the State of Florida.

ARTICLE 16 NOTICE OF CLAIM, WAIVER OF REMEDIES, NO DAMAGES FOR DELAY

- 16.1 The Owner's liability to Construction Manager for any claims arising out of or related to the subject matter of this contract, whether in contract or tort, including, but not limited to, claims for extension of construction time, for payment by the Owner of the costs, damages or losses because of changed conditions under which the work is to be performed, or for additional work, shall be governed by the following provisions:
 - (a) All claims must be submitted as a Request for Change Order in the manner as provided herein;
 - (b) The Construction Manager must submit a Notice of Claim to Owner and to the Architect-Engineer within twenty (20) days of when the Construction Manager was or should have been aware of the occurrence of the event giving rise to the claim; and
 - (c) Within ten (10) days of submitting its Notice of Claim, the Construction Manager shall submit to the Owner its Request for Change Order, which shall include a written statement of all details of the claim, including a description of the work affected.

The Construction Manager agrees that the Owner shall not be liable for any claim that the Construction Manager fails to submit as a Request for Change Order as provided in the above paragraph.

- 16.2 After receipt of a Request for Change Order, the Owner, in consultation with the Architect-Engineer, shall deliver to the Construction Manager its written determination of the claim.

The venue for all actions against the Owner shall be made in Indian River County, Florida.

- 16.3 For work the Construction Manager performs with its own forces, and in addition to the adjustments provided for in Article 8, the Construction Manager's exclusive remedy for delays in performance of the construction caused by events beyond its control, including delays claimed to be caused by or attributable to the Owner or the Architect-Engineer, including claims based on breach of contract or negligence, shall be a claim submitted in compliance with 16.1 above, for an extension of the scheduled construction time. In the event of a change in such work, the Construction Manager's claim for adjustments in the contract sum are limited exclusively to its actual costs for such changes plus five percent (5%) for profit. The Construction Manager expressly agrees that the foregoing constitute its Sole and Exclusive Remedies for delays and changes in such work, and eliminate any other remedies for claim for increase in the contract price, delays, changes in the work, damages, losses or additional compensation.

ARTICLE 17 SUPPLEMENTARY CONDITIONS

- 17.1 When the Architect determines that the Work or designated portion thereof as defined in the Contract Documents is substantially complete, the Architect shall issue a Certification of Substantial Completion which establishes: the date of substantial completion; the "Substantial Completion Punch List", which establishes a single list providing feedback to the Construction Manager on non-conforming work, or work requiring further quality adjustments and must be developed within 30 calendar days of the date of substantial completion and delivered to Construction Manager within 5 calendar days thereafter; the date the Construction Manager will have completed all items on the Substantial Completion Punch List, and such other items as the Architect and Owner deem appropriate. The Certificate of Substantial Completion shall be executed by the Architect, Construction Manager and Owner. The Construction Manager will promptly engage in completing the Substantial Completion Punch List within 10 days of its issuance.

The Construction Manager agrees to the Punch List developed herein and process. Regardless of the foregoing, nothing herein shall alter the responsibility of the Construction Manager to complete all Construction services, material and items contracted herein by the Owner. The Owner shall have the right, but not the obligation, to withhold the Owners, Architects and or Engineers estimated cost of completion for such items on the Punch List referenced above. The Construction Manager by execution of the Contract agree to the same. Regardless of any provision to the contrary, the Owner

may withhold from each of the Construction Manager's pay requests an amount not to exceed Ten 10% of the payment as retainage until 50% of completion of the Work/Contract as determined by either the Owner or its Architect, Engineer or other consultant, as the case may be. The Construction Manager by execution of the Agreement hereby agree to the same. After 50% completion of the Work/Project as determined herein the Owner agrees to reduce the retainage to five (5) % of each draw schedule/pay request progress payment of the Construction Manager. Regardless of the foregoing, nothing herein shall require the Owner to reduce retainage to the Construction Manager if the Owner has determined that the Construction Manager is in default or if the Owner, or any of its consultants reasonably believes that the retainage and or future payments to the Construction Manager will not be enough for the Owner to complete the Project or cover its damages as a result of the Construction Manager's breach or default or for any other reason, or there is a good faith dispute by Owner against the Construction Manager or its bonding company. This provision shall not apply to any funds related to such federal funds.

With regard to uncompleted Punch List item(s), the Owner may withhold 150% of the uncompleted item(s) until satisfactorily completed by the Construction Manager. Regardless of the foregoing, the requirements herein do not apply to contracts less than \$200,000 in value.

Owner Direct Material/Equipment Purchase Program

1. The Subcontractor has included Florida State Sales and other applicable taxes in his bid for material, supplies and equipment. The Owner, being exempt from sales tax, reserves the right to make direct purchases of various construction equipment, materials or supplies included in the Subcontractor's bid and/or contract, substantially in accordance with the form of Purchase Order attached herewith.

Any equipment, materials or supplies directly purchased by the Owner that are included in the Subcontractor's contract shall be referred to as Owner-Purchased Materials and the responsibilities of both Owner and Subcontractor relating to such Owner-Purchased Materials shall be governed by the terms and conditions of the procedures. The Owner will own and hold full title to all Owner-Purchased Materials.

2. Material suppliers shall be selected by the Subcontractor awarded the subcontract.

The Subcontractor has included the price for all construction materials in his bid. Owner Purchasing of construction materials, if selected, will be administered on a deductive Change Order basis.

3. Subcontractor shall provide Construction Manager a list of all intended suppliers, vendors, and material men for consideration as Owner-Purchased Materials. This list shall be submitted at the same time as the preliminary schedule of values. The Subcontractor shall submit a description of the materials to be supplied, estimated quantities and prices.

4. Upon request from Construction Manager, and in a timely manner, Subcontractor shall prepare a standard Purchase Order Requisition Form in a form acceptable to the Owner and the Construction Manager, to specifically identify the materials which Owner had, at its sole option, elected to purchase directly. The Purchase Order Requisition Form shall include:

A. The name, address, telephone number and contact person for the material supplier.

B. Manufacturer or brand, model or specification number of the item.

C. Quantity needed as estimated by the Subcontractor.

D. The price quoted by the supplier for the materials identified therein.

E. Any sales tax associated, with such quote.

F. Delivery dates as established by Subcontractor.

ca

Subcontractor shall include reference to any terms and conditions which have been negotiated with the vendors; i.e., payment terms, warranties, retainage, etc.

Such Purchase Order Requisition Forms are to be submitted to Construction Manager's designated representative no less than fifteen (15) days prior to the need for ordering such Owner-Purchased Materials, in order to provide sufficient time for Owner review and approval and to assure that, such Directly Purchased Materials may be directly purchased by Owner and delivered to the Project site so as to avoid any delay to the Project.

5. After receipt of the Purchase Order Requisition Form, Owner shall prepare its Purchase Orders for equipment, materials or supplies which the Owner chooses to purchase directly. Pursuant to the Purchase Order, the vendor will provide the required quantities of material at the price established in the vendor's quote to the Subcontractor, less any sales tax associated with such price. Promptly upon receipt of each Purchase Order, Subcontractor shall verify the terms and conditions of the Purchase Order prior to its issuance to supplier and in a manner to assure proper and timely delivery of items. Owners Purchasing Director or his designated representative shall be the approving authority for the Owner on Purchase Orders in conjunction with Owner-Purchased Materials. The Purchase Order shall require that the supplier provide the required shipping and handling insurance. The Purchase Order shall also require the delivery of the Owner-Purchased Materials on the delivery dates provided by the Subcontractor in the Purchase Order Requisition Form and shall indicate F.O.B. jobsite.
6. In conjunction with the execution of the Purchase Orders by the suppliers, the Subcontractor shall execute and deliver to the Owner, through the Construction Manager, one or more deductive Change Orders, referencing the full value of all Owner-Purchased Materials to be provided by each supplier from whom the Owner elected to purchase material directly, plus all sales tax savings associated with such materials in Subcontractor's bid to Construction Manager.
7. All shop drawings and submittals shall be made by the Subcontractor in accordance with the Project Specifications.
8. Subcontractor shall be fully responsible for all matters relating to the receipt of materials furnished by Owner in accordance with these Procedures, including, but not limited to, verifying correct quantities, verifying documentation of orders in a timely manner, coordinating purchases, providing and obtaining all warranties and guarantees required by the Contract Documents, inspection and acceptance of the goods at the time of delivery, and loss, or damage to equipment and materials following acceptance of items by the Owner due to the negligence of the Subcontractor. The Subcontractor shall coordinate delivery schedules, sequence of delivery, loading orientation, and other arrangements normally required by the Subcontractor for the particular materials furnished. The Subcontractor agrees to indemnify and hold harmless the Owner from any and all claims of whatever nature resulting from non-payment of goods to suppliers arising from the actions or directions of Subcontractor. Owner purchased materials shall be stored at the construction site.

9. As Owner-Purchased Materials are delivered to the jobsite, the Subcontractor and the Construction Manager, as County's Representative, shall visually inspect all shipments from the suppliers, and approve the vendor's invoice of material delivered. The Subcontractor shall assure that each delivery of Owner-Purchased materials is accompanied by adequate to identify the Purchase Order against which the purchase is made. This documentation may consist of a delivery ticket and an invoice from the supplier conforming to the Purchase Order, together with such additional information as the Owner or Construction Manager may require. The Construction Manager, as Owner's Representative, shall verify in writing to the Owner the accuracy of the delivery ticket. The Subcontractor will then forward the invoice to the Owner through the Construction Manager for payment. The invoice shall be thereupon furnished to the Finance Department for processing and payment in the manner as all other Indian River School District invoices are processed. The Owner shall have the right to assign personnel to verify and audit the accuracy of all Director Purchase Documents.
10. The Subcontractor shall insure that Owner-Purchased Materials conform to the Specifications, and determine prior to incorporation into the work if such materials are patently defective, and whether such materials are identical to the material ordered and match the description on the bill of lading. If the Subcontractor discovers defective or non-conformities in the Owner-Purchased Material upon such visual inspection, the Subcontractor shall not utilize such non-conforming or defective materials in the work and instead shall promptly notify the vendor of the defective or non-conforming condition in order to pursue repair or replacement of those materials without any undue delay or interruption to the Project. Additionally, the Subcontractor shall notify the Owner, through the Construction Manager, of such occurrence. If the Subcontractor fails to perform such inspection and otherwise incorporated Owner-Purchased Materials, the condition of which it either knew or should have known by performance of an inspection, Subcontractor shall be responsible for all damages to Owner resulting from Subcontractor's incorporation of such materials into the Project, including liquidated or delay damages. In the event that materials furnished are found to be defective or non-conforming, the Subcontractor shall promptly take action to remedy the defect or non-conformance so as not to delay the work.
11. The Subcontractor shall maintain records of all Owner-Purchased Materials it incorporates into the work from the stock of Owner-Purchased Materials in its possession. The Subcontractor shall account monthly to the Owner, through the Construction Manager, for any Owner-Purchased Materials delivered into the Subcontractor's possession, including portions of all such materials which have been incorporated into the work.
12. The Subcontractor, as the Owner's agent, shall be responsible for obtaining and managing all warranties and guarantees for all material and products as required by the Contract Documents. All repair, maintenance or damage-repair calls shall be forwarded to the Subcontractor for resolution with the appropriate supplier or vendor.
13. Notwithstanding the transfer of Owner-Purchased Materials by the Owner to the Subcontractor's possession, the Owner shall retain title to any and all Owner-Purchased Materials.
14. The transfer of possession of Owner-Purchased Materials from the Owner to the Subcontractor shall constitute a bailment for the mutual benefit of the Owner and the

Subcontractor. The Owner shall be considered the bailor and the Subcontractor the bailee of the Owner-Purchased Materials. Owner-Purchased Materials shall be considered returned to the Owner for the purposes of its bailment at such time as they are incorporated into the Project or consumed in the process of completing the Project. All Owner-Purchased Materials shall be stored at the construction site.

15. The insurance purchased and maintained by the Construction Manager shall be sufficient to protect against any loss of or damage to Owner-Purchased Equipment, Materials or Supplies. Such insurance shall cover the full value of any Owner-Purchased Materials not yet incorporated into the Project from the time the Owner first takes title. The Owner shall be named as an Additional Insured Party on such policies of insurance. The Owner will bear the costs of all Payment and Performance Bonds and Owner's Insurance including Builder's Risk Insurance as a reimbursable expense to the Construction Manager. The Owner as an additional named insured on the Construction Manager's Builder's Risk Insurance and, in the event of damage or destruction to the Owner-Purchased Materials, the Owner will receive all proceeds derived from all claims against insurers or others to pay for repair or reconstruction as a result of damage or destruction.
16. The Owner shall in no way be liable for interruption or delay in the Project, for any defects or other problems with the Project, or for any extra costs or time resulting from delay in the delivery of, or defects in, Owner-Purchased Materials when such delay is a result of the failure of the Subcontractor's performance.
17. On a monthly basis, Subcontractor shall be required to review invoices submitted by all suppliers of Owner-Purchased Materials delivered to the Project site during that month and either concur or object to the Owner's issuance of payment to the suppliers, based upon Subcontractor's records of material delivered to the site and any defects in such materials.
18. In order to arrange for the prompt payment to the supplier, the Subcontractor shall provide to the Owner, through the Construction Manager, a list indicating the acceptance of the goods or materials in accordance with the established monthly Payment Request Schedule. The list shall include a copy of the applicable Purchase Order, invoices, delivery tickets, written acceptance of the delivered items, and such other documentation as may be reasonably required by the Owner. Upon receipt and verification of the appropriate documentation, the Owner shall prepare a check drawn to the supplier based upon the receipt of data provided. This check will be released, delivered, and remitted directly to the supplier. The Subcontractor agrees to assist the Owner to immediately obtain a partial or final release of lien waiver as appropriate.
19. The Owner's direct purchase of equipment, materials or supplies, as provided herein does not relieve the Construction Manager or any Subcontractor of any obligation required pursuant to the contract or subcontract pertaining to the performance of work, except as to the Owner's obligation to make direct payments to such vendors and may reduce the bonds to the extent permitted by Section 255.05, F.S.

19. **Substitute Instructors.** PROVIDER agrees that substitute instructors who meet the requirements of Rule 6M-8.410, F.A.C. may replace a lead VPK instructor, when the VPK lead instructor is not present at the facility. The time that any substitute instructors that do not meet the credentials of a lead instructor may replace a lead instructor is limited to 30 percent of the VPK Program's total instructional hours in a VPK class.
20. **Forms Approved.** COALITION has reviewed the documents submitted by PROVIDER and, based on the information submitted, has determined that PROVIDER has completed the forms as required by ss. 1002.55(3)(h), 1002.61(8), or 1002.63(8), F.S., as applicable.
21. **Executed Contract.** COALITION shall return a fully executed copy of this Contract to PROVIDER as notification that PROVIDER is eligible to begin offering the VPK Program. PROVIDER shall not offer the VPK Program prior to receiving a fully executed copy of this Contract from COALITION.
22. **Prohibited Forms of Discipline.** In accordance with s. 1002.55(5), F.S., PROVIDER agrees to implement minimum standards for child discipline practices that are age-appropriate and consistent with the requirements in s. 402.305(12), F.S. Such standards must provide that children not be subjected to discipline that is severe, humiliating or frightening. The discipline must not be associated with food, rest or toileting. Spanking or any other form of physical punishment is prohibited. Children may not be denied active play as a consequence of misbehavior.
23. **Statewide Information System.** PROVIDER agrees to utilize the statewide information system as referenced in s. 1002.82(2)(n), F.S., as available, to submit information and updates regarding the VPK Program.

24. **Direct Deposit Required.** PROVIDER agrees to provide information necessary to facilitate direct deposit in order to receive VPK reimbursement for services rendered. PROVIDER agrees to provide alternative reimbursement arrangements if PROVIDER chooses to opt out of Direct Deposit.

IV. COALITION RESPONSIBILITIES

25. **Technical Assistance.** COALITION will offer technical assistance for providers on probation. The technical assistance will be designed to facilitate the development and implementation of an improvement plan. The technical assistance will be offered in a manner and schedule prescribed by the coalition or school district, according to Rule 6M-8.700(3), F.A.C.
26. **Child Eligibility.** COALITION has ultimate responsibility for determining the eligibility of children enrolling in the VPK Program. COALITION will issue a child eligibility certificate (OEL-VPK 02 Eligibility Certificate), as described in Rule 6M-8.202, F.A.C., to the parent of each eligible child who registers in the VPK Program. Alternatively, if a provider enrolls children by meeting the specified requirements adopted under the authority of s. 1002.75(2)(a), F.S., the COALITION will monitor eligibility documentation.
27. **Limitations on Authority.** COALITION shall not impose any requirement on PROVIDER that exceeds the authority provided under Chapter 1002, F.S., or rules adopted pursuant Chapter 1002, F.S.

V. MONITORING, AUDITING, AND ACCESS

28. **Monitoring.** PROVIDER understands that the provisions of this contract are required to fulfill its obligation to offer the VPK Program, and that COALITION or school district (as applicable) will monitor PROVIDER for compliance with the requirements of offering the VPK Program.
29. **Physical Access.** PROVIDER agrees to allow the Office of Early Learning and COALITION staff or sub-contractors immediate access to the facilities and spaces used to offer the VPK Program during normal business hours.
30. **Records Access.** PROVIDER agrees to allow COALITION staff or sub-contractors and the Office of Early Learning to inspect and copy records pertaining to the VPK Program during normal business hours and upon request by COALITION or the Office of Early Learning.

VI. MAINTENANCE OF RECORDS, DATA, AND CONFIDENTIALITY

31. **Record Confidentiality.** PROVIDER agrees to protect the confidentiality of child and family information. Information associated with the VPK Program shall only be made available in accordance with the restrictions of s. 1002.72, F.S. For the purposes of records of children enrolled in the VPK Program, this Contract is considered an interagency agreement for the purpose of implementing the VPK Program as described in s. 1002.72 (3)(a), F.S. Accordingly, to the extent that PROVIDER receives VPK records in order to carry out its official functions, PROVIDER must maintain and protect the data as required in s. 1002.72, F.S., and as explained below. Individuals and organizations eligible to receive records include PROVIDER, the parent, COALITION, Office of Early Learning, and other entities identified in s. 1002.72, F.S.

32. **Record Maintenance.** PROVIDER agrees to maintain records, including enrollment and attendance records for children funded by the VPK Program; records of each VPK student, VPK instructor, substitute instructor, or VPK director; and other fiscal records for audit purposes for a period of five (5) years from the date of the last payment for that fiscal year or until the resolution of any audit findings or any litigation related to this Contract, whichever occurs last. PROVIDER may maintain records in an electronic medium and if the PROVIDER does so, then the PROVIDER shall back up records on a regular basis to safeguard against loss.
33. **Record Transfer on Termination.** In the event that PROVIDER permanently ceases to offer the VPK Program before the conclusion of the retention period for VPK records as described in Paragraph 32, whether as a result of unilateral or mutual termination of PROVIDER's eligibility to offer the VPK Program or as a result of PROVIDER ceasing to do business, PROVIDER shall transfer all VPK records required to be maintained under Paragraph 32 to COALITION no later than the close of business on the day PROVIDER ceases to offer the VPK Program. Failure to remit all VPK records required to be maintained will result in COALITION withholding final payment until the requirements of this paragraph are met.

VII. COMPENSATION, FUNDING AND DELIVERABLES

34. **Notification of Enrollment.** PROVIDER agrees that it will notify COALITION upon admitting a student to PROVIDER's VPK Program class in accordance with the procedures of COALITION and the rules of the Office of Early Learning. PROVIDER understands that it may be ineligible to receive payment if PROVIDER does not notify COALITION that the student has been admitted in accordance with the rules of the Office of Early Learning. PROVIDER agrees that PROVIDER may not receive payment for VPK instruction for a student who has not been determined eligible for enrollment in the VPK Program.
35. **Attendance Documentation.** PROVIDER agrees to document the daily attendance, to certify the monthly attendance, and to certify the annual cumulative attendance of each student admitted to PROVIDER's VPK Program class(es) in accordance with rules of the Office of Early Learning. PROVIDER agrees that, after the annual cumulative attendance has been certified, the certified annual cumulative attendance may not be disputed for payment purposes
36. **Parent Attendance Certification.** PROVIDER agrees to require that the parent of each child in the VPK Program verify, each month, the child's attendance on the prior month's certified child attendance, in accordance with the requirements of s. 1002.71(6)(b)2., F.S.. PROVIDER agrees to maintain the Student Attendance and Parental Choice Certificates which have been signed each month by a parent for each student admitted into PROVIDER's VPK Program class(es) in accordance with the rules of the Office of Early Learning.
37. **Payment Rate.** PROVIDER understands that payments for each student may not exceed the amount of funding for one full-time equivalent (FTE) student, as established by the Florida Legislature, except that a student reenrolled for extreme hardship may receive more than one FTE. The amount of funding for one FTE student is calculated by multiplying the base student allocation provided in the General Appropriations Act by the county's district cost differential. The formula for FTE calculation is subject to revision by the Legislature during the course of the program year.
38. **Advance Payment Option.** PROVIDER understands that PROVIDER will receive monthly payments in accordance with the rules of the Office of Early Learning. PROVIDER further

understands that PROVIDER may elect to receive monthly advance payments based on the number of students enrolled in the PROVIDER's VPK Program class(es) by checking the following box:

PROVIDER elects to receive monthly advance payments and understands that advance payments will be reconciled and adjusted in accordance with the rules of the Office of Early Learning.

39. **Final Payment.** PROVIDER understands that COALITION will not issue a final payment to PROVIDER for the VPK program year until PROVIDER certifies the annual cumulative attendance of each child enrolled in PROVIDER's VPK Program in accordance with the rules of the Office of Early Learning.
40. **Overpayment.** PROVIDER agrees that, if the end-of-year reconciliation of payments reveals that PROVIDER received payments in excess of the amount owed to PROVIDER, COALITION will offset the overpayment against the final payment owed to PROVIDER for the program year and any future payments issued to PROVIDER for early learning programs. If PROVIDER ceases to offer early learning programs before the overpayment is fully offset, PROVIDER agrees to return the funds it was overpaid. If PROVIDER fails to return the funds it was overpaid, PROVIDER will be subject to collection efforts.
41. **Attendance Documentation Submission.** PROVIDER agrees to submit monthly attendance certification in accordance with Rule 6M-8.305, F.A.C., for payment. PROVIDER agrees to submit all required attendance records to COALITION on or before the 3rd business day of each month. If the due date falls on a holiday, PROVIDER agrees to submit all required attendance records to COALITION on the preceding business day. Records submitted late will be processed and paid in the next payment cycle.
42. **Reimbursement Summary Review.** PROVIDER agrees to review the reimbursement summary provided with the monthly reimbursement statement. PROVIDER agrees to report to COALITION any discrepancy, overpayment, or underpayment within sixty (60) calendar days of transmission of the reimbursement summary.
43. **Closures.** PROVIDER agrees compensation for temporary closures will be handled in accordance with Office of Early Learning Rule 6M-8.204(5), F.A.C.
44. **Disallowed Costs.** PROVIDER understands expenditures submitted for reimbursement shall be disallowed if PROVIDER does not adhere to the provisions governing the VPK Program as described in paragraph 5. Any disallowed expenditure may be deducted from any future reimbursement. PROVIDER agrees to return to COALITION any funds received as a result of error or overpayment or disallowed cost. If PROVIDER ceases to offer the VPK Program before the payment is fully recovered, PROVIDER agrees to return the funds it was overpaid. If PROVIDER fails to return the funds it was overpaid, PROVIDER will be subject to collection efforts and fraud restitution.
45. **Head Start Agencies.** If PROVIDER is a Head Start Agency, PROVIDER understands that, in accordance with federal law, PROVIDER's Head Start programs must be "in addition to, and not in substitution for, comparable services previously provided without Federal assistance." (42 U.S.C., s. 9835(c))

46. **Title 20 Schools.** If PROVIDER receives federal funds under Title 20, United States Code, ss. 6311-6322, PROVIDER understands that, in accordance with federal law, PROVIDER may use “Federal funds to supplement, [but] not [to] supplant non-Federal funds.” (20 U.S.C., s. 6314(a)(3)(B))

VIII. PROVISIONS FOR PROVIDER PROBATION

47. **Readiness Rates.** PROVIDER understands that, in accordance with s. 1002.69(5), F.S., the Office of Early Learning will annually issue kindergarten readiness rates to each PROVIDER. PROVIDER understands that if it, or any of its providers listed in Exhibit 1, receives a kindergarten readiness rate which falls below the minimum readiness rate established by the Office of Early Learning, in accordance with s. 1002.67(4)(c)1., F.S., PROVIDER or any of its PROVIDERS listed in Exhibit 1 will be placed on probation and must submit an improvement plan and/or annual progress report for approval to either the school district or COALITION in accordance with rules adopted by the Office of Early Learning or be removed from eligibility to offer the program type for five (5) years. In the event that PROVIDER fails to meet the minimum readiness rate for a program type (school-year or summer) three consecutive times, in accordance with s. 1002.67(4)(c)3, F.S., PROVIDER will be removed from eligibility to offer the program type for five (5) years unless PROVIDER is granted a good cause exemption by the Office of Early Learning. If a PROVIDER is removed from summer eligibility, then this contract is considered void for that PROVIDER’s summer program type of the program year.
48. **Probation.** PROVIDER understands that in accordance with s. 1002.67(4)(c)2, F.S., PROVIDER on probation must continue the corrective actions in its improvement plan, including the use of an approved curriculum or a staff development plan, until PROVIDER meets the readiness rate. Failure to do so will result in the termination of PROVIDER’s contract and the PROVIDER losing eligibility to deliver the VPK Program for five (5) years.

IX. FINANCIAL CONSEQUENCES

49. **Financial Consequences.** As a result of PROVIDER’s failure to provide the minimum level of services required by this contract, COALITION shall temporarily withhold reimbursement, disallow all or part of services not in compliance with the terms of this contract, or terminate the contract.

X. NONDISCRIMINATION

50. **Discrimination Prohibited.** PROVIDER agrees to comply with the antidiscrimination requirements of 42 U.S.C. s. 2000d, regardless of whether PROVIDER receives federal financial assistance. PROVIDER agrees not to discriminate against a parent or child, including the refusal to admit a child for enrollment in the VPK Program, in violation of the antidiscrimination requirements.

XI. TERMINATION AND NONCOMPLIANCE

51. **Noncompliance Determination and Corrective Action Notice.** If COALITION determines PROVIDER has failed to comply with the provisions governing the VPK Program as described in paragraph 5. or the requirements of this Contract, and COALITION concludes that corrective action will resolve the failure to comply, COALITION must notify PROVIDER in writing. (“Corrective action” means implementation of specific action(s) designed to correct the failure to

meet a specific requirement.) The notice must identify the specific requirement(s) which PROVIDER failed to meet and describe how PROVIDER failed to meet each requirement. In addition, the notice must provide a detailed description of any required corrective action and set a deadline for completion of the corrective action. Finally, the notice must state that PROVIDER may request a review of the determination as described in paragraph 58. Upon determining that the PROVIDER has completed the corrective action, the COALITION shall notify the PROVIDER in writing.

52. Termination for Cause.

a. Basis of Termination for Cause. PROVIDER agrees that COALITION has the right to terminate this Contract for cause at any time. The following are grounds for termination for cause: (a) Action, or lack of action, which threatens the health, safety or welfare of children; (b) The material failure to comply with the terms of this Contract, including failure to implement corrective action; (c) The refusal to accept any notice described under this Contract which COALITION is required to send to PROVIDER; or (d) Reasonable or probable cause for COALITION to suspect that fraud has been committed by PROVIDER as described in paragraph 57.

b. Notice of Termination for Cause. In order to terminate PROVIDER for cause, COALITION must send a written notice of termination for cause to PROVIDER. Such notice must be sent, with proof of delivery, at least five (5) business days before termination. The notice must state the date of, and the specific basis for, termination. Finally, the notice must state that PROVIDER may request a review of the determination as described in paragraph 58. Notwithstanding PROVIDER's refusal of delivery of the notice, this Contract shall be terminated on the date identified in the notice. COALITION shall document any refusal of delivery.

53. Emergency Termination. COALITION must immediately terminate this Contract on an emergency basis upon a notification by the Department of Children and Families (DCF) or local licensing agency that actions or inactions of a PROVIDER pose an immediate and serious danger to the health, safety, or welfare of children. A termination of this Contract on an emergency basis is accomplished by the COALITION sending PROVIDER written notice of emergency termination at least twenty-four hours prior to termination. The written notice must specifically state the basis of COALITION's emergency termination. Finally, the notice must state that PROVIDER may request a review of the determination as described in paragraph 58.

54. Revocation of Eligibility. In accordance with s. 1002.67(4)(b), F.S., if PROVIDER's Contract is terminated under paragraph 52 or 53, COALITION may revoke PROVIDER's eligibility to deliver the VPK Program for a period of five (5) years. In determining whether to revoke PROVIDER'S eligibility, the COALITION shall consider the following factors: the severity of the PROVIDER'S actions leading to the termination of the contract, the health, safety and welfare of children enrolled at the PROVIDER, the financial impact of the PROVIDER'S actions, the impact that the revocation would have upon the local community, consistency with COALITION'S actions against other PROVIDERS for similar violations of the Contract or program requirements, the length of time that PROVIDER provided services under the contract with the COALITION, and whether the PROVIDER had previously violated the terms of this Contract and prior contracts with the COALITION. COALITION shall provide notice of its intent to revoke PROVIDER'S eligibility at the same time that it provides written notice of intent to terminate the contract to PROVIDER.

- 55. Termination of Contract by Provider.** PROVIDER and COALITION may agree to terminate this Contract by mutual consent or PROVIDER may unilaterally terminate this Contract at will. Written notice of termination must be given and alternative arrangements for uninterrupted services shall be made at least thirty (30) calendar days before the termination date for children served under this Contract. If sufficient notice of termination is not provided, COALITION may refuse to issue the final reimbursement payment to PROVIDER.
- 56. Legislative Appropriation.** Any obligation for payment under this Contract is contingent upon an appropriation by the Florida Legislature. If funds required to finance this Contract are unavailable, COALITION shall terminate this Contract after providing written notice, with proof of delivery, at least twenty-four (24) hours before termination of this Contract. In the event of termination of this Contract under this paragraph, PROVIDER shall be paid for the documented VPK hours completed prior to termination of this Contract.
- 57. Fraud.**
- a. Anti-Fraud Plan.** COALITION shall provide the PROVIDER with a copy of its anti-fraud plan established by COALITION in accordance with s. 1002.91, F.S. PROVIDER agrees to comply with such anti-fraud plan.
- b. Suspension for Suspected Fraud.** In accordance with s. 1002.91(4), F.S., COALITION may suspend or terminate PROVIDER from participation in the VPK Program when it has reasonable cause to believe that PROVIDER has committed fraud. PROVIDER may request a review of COALITION's determination to suspend PROVIDER as described in paragraph 58. If suspended, PROVIDER shall remain suspended until the completion of any investigation by the Office of Early Learning, the Department of Financial Services, or any other state or federal agency, and any subsequent prosecution or other legal proceeding.
- c. Termination for Fraud.** In accordance with s. 1002.91(5), F.S., if PROVIDER, or an owner, officer, or board director thereof, is convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39, F.S., or is acting as the beneficial owner for someone who has been convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39, F.S., the COALITION shall refrain from contracting with, or using the services of, PROVIDER for a period of 5 years. In addition, COALITION shall refrain from contracting with, or using the services of, any provider that shares an officer or director with a provider that is convicted of, found guilty of, or pleads guilty or nolo contendere to, regardless of adjudication, public assistance fraud pursuant to s. 414.39, F.S. for a period of five (5) years.
- d. Termination for National Disqualification.** In accordance with s. 1002.91(7), F.S., if PROVIDER is placed on the United States Department of Agriculture National Disqualified List, COALITION must terminate this Contract for cause. In addition, if PROVIDER shares an officer or board director with a provider that is on the United States Department of Agriculture National Disqualified List, COALITION must terminate this Contract for cause.
- 58. Due Process Procedures.** PROVIDER may request a review of determinations made by COALITION under this Contract. Reviews will be conducted in accordance with Exhibit 2, Due Process Procedures. While a request for a review is being examined, PROVIDER is not required to implement corrective action. In accordance with s. 1002.75(1), PROVIDER may not offer any

VPK Program services while a request for a review regarding termination of PROVIDER's VPK Statewide Contract is being examined.

59. **Severability of Provider Location.** If PROVIDER has executed this Contract on behalf of multiple locations and one or more of the locations is terminated pursuant to Section XI of this Contract, then in lieu of re-executing a new contract for the remaining locations, COALITION may modify Exhibit I to indicate which location(s) previously part of this Contract has been removed by striking through the location(s), initialing and dating in the "official use only" column. COALITION shall provide a copy of Exhibit 1 showing any stricken locations to PROVIDER. This Contract will remain in force and effect as to all locations in Exhibit 1 which are not stricken.
60. **Litigation and Venue.** In the event that PROVIDER believes that this Contract has been inappropriately terminated, or in the event of a breach of this Contract, any available remedies may be pursued in a court of competent jurisdiction. COALITION and PROVIDER agree that any litigation related to this Contract which is brought by COALITION or PROVIDER will be brought in a county within COALITION's geographical service area.

63. **Unusual Incident Notification.** PROVIDER agrees to report unusual incidents to COALITION by no later than the close of business on the next business day of the unusual incident and to submit a written report to COALITION within three (3) business days from the date of the incident. For licensed providers, sending a copy of the incident report submitted for DCF to COALITION shall constitute compliance with this paragraph. An unusual incident is any significant event involving the health and safety of children under PROVIDER's care. Examples of unusual incidents include: accusations of abuse or neglect against PROVIDER or PROVIDER's staff; the injury of a child which requires professional medical attention at PROVIDER's site or written notification from the child's parent that the child received professional medical attention; and when PROVIDER receives notice of litigation where PROVIDER is a named party or defendant that relates to PROVIDER's operation of VPK services.

64. Notification of Disqualification or Public Assistance Fraud.

a. PROVIDER shall notify COALITION within five (5) calendar days if PROVIDER is placed on the United States Department of Agriculture National Disqualified List, or if PROVIDER shares an officer or board director with a provider that is on the United States Department of Agriculture National Disqualified List.

b. XII. INDEMNIFICATION

65. Indemnification. PROVIDER shall be fully liable for and indemnify, defend and hold harmless COALITION, Office of Early Learning and all of their officers, directors, agents, contractors, subcontractors and employees from and against any and all third-party claims, suits, actions, damages, judgments and costs that arise whether in law or in equity, from any of the PROVIDER's agents, subcontractors or employees' acts, actions, neglect or omission during the performance or operations under this Contract or any subsequent modification thereof. This includes attorney's fees and costs. This indemnification holds whether liability is direct or indirect and whether damage is to any person or real or personal tangible or intangible property. If PROVIDER is a state agency, public school or school district, this paragraph is limited to the extent required by s. 768.28, F.S.

XIV. SEVERABILITY

66. Severability. If any provision of this Contract is held to be unenforceable by a court of competent jurisdiction, the remaining terms and conditions remain in full force and effect.

XV. NO AMENDMENTS

67. No Amendments. No attachments, amendments, or supplements to this Contract are authorized or permitted, except those specifically incorporated by reference in this form, including Exhibit 1, Provider Location List; Exhibit 2, Due Process Procedures; and Form OEL-VPK 20PP or Form OEL-VPK 20PS, as described in paragraph 7.

Exhibit 2: Due Process Procedures

Provider Name: The School Board of Indian River County, Florida

1. Purpose of Exhibit. Early Learning Coalitions are responsible for the local implementation of early learning programs funded with state and federal funds, such as the School Readiness Program and Voluntary Prekindergarten Education Program. Providers of such early learning programs may request a review of determinations made by an Early Learning Coalition in accordance with the due process procedures described below.

2. Request for Review Hearing. If a provider disputes any action taken by the Coalition pursuant to the terms of the Statewide Voluntary Prekindergarten Provider Contract, the provider may request a review hearing in writing by sending it to the contact person listed in the Coalition's action. A review hearing is a "meeting" for the purposes of the Sunshine Law which is subject to public notice. During a review hearing, the provider will have a reasonable opportunity to address Coalition staff-persons or sub-contractor staff regarding the Coalition's action and to present supporting evidence before a Review Hearing Committee. Provider may have an attorney present at the review hearing to represent or advise the provider.

a. Content of Request for Review Hearing. The request for review hearing must state: the name and contact information of an individual authorized to provide information and binding responses on behalf of provider; the specific action by the Coalition that the provider disputes, the specific reasons for the provider's belief; and whether the provider will be represented by an attorney or another individual during the review hearing.

b. Request Time. The provider's request for a review hearing must be submitted in writing to the Coalition within five (5) business days of receipt of notice of the determination which the provider believes to be incorrect.

c. Supporting Documentation. The provider must send copies of any written documentation supporting the claims of the provider. Examples of relevant documentation may include, but are not limited to, attendance documentation, notarized attestations from parents, documentation from licensing or accrediting bodies, documents demonstrating dates of information submission, and a proposed corrective action plan.

3. Implementation of Review. If the Coalition receives a request for review hearing from the provider, the Coalition must address the request by taking the following steps.

a. Assignment of Review Hearing Committee. Within three (3) business days of receipt of a request for review hearing, the Coalition must assign a Review Hearing Committee to complete the review. The Review Hearing Committee must be composed of at least three but no more than five members of the Coalition Board. The Chair of the ELC shall appoint the Review Hearing Committee and shall name the chair of the committee. Three of the members must be a mandatory member as set forth in section 1002.83(4) with at least one provider representative member.

b. Response to Request for Review Hearing. Within five (5) business days of receipt of the request for review hearing, the Coalition must respond to the provider in writing, return receipt requested. The notice must include at least three (3) proposed dates and times for the review hearing which must be within forty-five (45) days of the date of

receipt of the request for review hearing. The notice must also state that the review hearing may be conducted in person at a location designated by the Coalition or via any method of telecommunications, as long as the public is given reasonable access to observe and, when appropriate, participate. Finally, the notice must state whether or not all of the Coalition staff persons or sub-contractor staff whom the provider wishes to have present during the hearing will be made available. If any individual who the provider requested to have present is not available, the Coalition must make available an individual who is qualified to address the subjects the provider wished the individual to address.

c. Date and Location Selection. Within five (5) business days of receipt of the response to a request for review hearing, the provider must inform the Coalition of the date and time which it selects for the review hearing and whether the provider will attend the meeting in person or via a method of telecommunication. Within five (5) business days of receipt of the response to a request for review hearing, if the provider is unable to attend any of the proposed dates and times for the review hearing, the provider must submit written notice which states the specific reasons that provider is unable to attend and must contact the Coalition to select a mutually agreed upon date for the review hearing. If the provider does not inform the Coalition of the date and time within the required time period, then the process is considered complete and the request is denied.

d. Conducting the Review Hearing. The Review Hearing Committee shall assess the claim(s) the provider made in its request for review by examining all information and documentation submitted by the provider. The provider must be given a reasonable opportunity to question Coalition staff-persons or sub-contractor staff regarding the determinations of the Coalition and to present evidence before the Review Hearing Committee. The Coalition will also be provided a reasonable opportunity to submit evidence to rebut any claims made by the provider.

e. Notice of Review Hearing Conclusion. Following completion of the presentation by the provider and the Coalition, the Review Hearing Committee will vote regarding each of the provider's claims. The Review Hearing Committee must also appoint a Review Hearing Committee member or a Coalition staff person to prepare a written notice of the review hearing conclusion. (If the notice is developed by a Coalition staff person, the notice must be reviewed by the Review Hearing Committee in a subsequent public meeting and approved before being sent to the provider.) The written notice must state the outcome of the Review Hearing Committee's vote regarding each of the provider's claims. In addition, the notice must specifically state the reasons supporting the Review Hearing Committee's conclusions. Finally, if the majority of the Review Hearing Committee determines:

i. That no part of the determination made by the Coalition was correct, the notice must state provider is not required to take further action.

ii. That any part of the determination made by the Coalition is correct, the notice must identify the portion(s) determined to be correct. As applicable, the notice must also state:

A. If corrective action is necessary, that the provider must take corrective action in regard to the part(s) which the Review Hearing Committee determines to be correct; and the revised deadlines for completion of the corrective action(s);

- B. If the provider's eligibility to offer the Voluntary Prekindergarten Education Program will be terminated, the date of termination.**

The decision of the Review Hearing Committee is final.
