Southern Connection Sale

Sponsored by the Georgia, Florida & South Carolina Charolais Associations

Saturday, October 26, 2019 // 1 pm
Northwest Georgia Livestock Pavilion, Calhoun, GA

Welcome to the Annual Southern Connection Sale! This sale is offering some of the best Charolais genetics in the breed today! We have some tremendous herd sires and one of the largest numbers of proven Donor cows to be offered in one sale.

Our thanks to Wayne Bennett to share some of his best donors to this sale from his most elite cow families. Wayne is offering 22 special lots, including several purebred cows carrying embryos from his elite donors. He also has a group of embryos and several semen lots of interest.

This sale has a blend of leading sire and dam influences from breeders all over the U.S. These cattle represent programs developed over many years of concentrating on "Profit-Oriented" genetics. You can certainly buy with confidence in the Charolais offered in this sale. With the influence of M6 New Standards, M6 Grid Makers, LHD Cigar, VCR Sir Duke 914, LT Ledger 0332, LT Wyoming Wind, LT River Dance, JDJ Maximo, BHD Asset, Sly Illusion, WC Milestone, TR Mr Fire Water, mated to some of the great cows in the breed you just can't go wrong with selecting heavily in this top sale!

Please join us Friday evening at the sale facility for another great evening of laughter, Charolais talk, and the always very tasty cooking of Franklin Dowell from Rollins Ranch! (a little Texas taste).

If we can be of any assistance, please let us know. We look forward to visiting with you at the sale.

Sincerely,
Dennis Adams

Consignor: **Kyle Reeves Charolais**

• **Selling Full interest and Full Possession.** Fertility and Trich tested. This magnificent herd sire has a winning record and originates from one of M6 Ranch's greatest programs, now incorporated into the Reeves elite program. His dam, 1145 was the top selling lot in the 2016 M6 sale and a daughter, (and full sib), in the 2017 M6 sale sold for \$36,000. A full sib to this bull topped the M6 Bull sale at \$30,000.00. A flush of 1145 in the recent Appalachian sale sold for \$4,000. 0806 was named Champion at the recent 2019 Tennessee State Show and has won at 4 other shows. New Standard has set many records for performance of his offspring in both sales, shows, and shear performance. His daughters have always commanded top prices, displaying tremendous udder quality, volume, and skeletal correctness. This outstanding prospect ranks in the top 9% WW, 7% YW, 2% Milk, 1% MTL, 1% SC, 3% CW, 2% REA, and 5% TSI for breeding leading EPDs. If you are not into A.I.'ing or need that extra special clean-up sire, this bull has more going for him than most A.I. sires you can find today! Pedigree, Disposition, Structure, EPDs, Performance, and Cow Family Power enables the new owner to have the BEST!

Consignor: Jason Blackwelder

- Sells Open.** Another great balanced numbered heifer, good CE and BW blended with better performance and growth. These Maximo daughters are starting to make a name for superior productivity and production. They just have stylish conformation, extremely correct, and more muscling and volume to impress real cattle people! This heifer also traces to Jason's original Cigar donor cow, 812, that did a fantastic job!

Consignor: Kyle Reaves Charolais

- Sells bred to Reaves Standard G. 0806.** He sells as lot 1. Courtney traces to Kyle's great donor cow, MCF Lady Gi Duke 5003 that has 40 progenies registered with AICA. She has been the backbone of many great females raised in the Reaves program. Reaves Standard G 0806 offers tremendous genetics to the offspring that will have both performance and eye-appeal.

- Sells bred, PE to DC/BHD Finance E2500 PET, EM906675, one of the newest herd sire additions to the Reaves Program. He came from DeBruycker's ET program, a BHD Dutton son out of a Donor cow of Sullivan Charolais that traces to the great \$25,000 NF Agatha 9581 and Mac 809. A very sharp prospect out of the great maternal sire, Grid Maker, and with tremendous donors represented in pedigree, Lady Ease 914 and E46's Duke 248!

Consignor: Kyle Reaves Charolais

- Sells bred to Reaves Standard G. 0806. He sells as lot 1. You've got to love the credentials on this top female, sired by the homozygous Polled Asset and a Smokester daughter out of the great donor, 5003! Her EPDs for Milk rank in the top 2% of the breed and top 6% for MTL within the breed. She had a light birth weight as Asset's are known for, and a great weaning wt of 673, for ratio of 108, as Asset does have great growth and performance.

Consignor: Oak Hill Farms

50A: Pld heifer calf born 9/16/19, sired by OHF Bells & Whistles 0400.

• Good CE and BW EPDs, good growth, (628 lbs weaning weight), with super style and eye-appeal that Maximo expresses in his calves. This heifer calf should be a great addition to a herd. These stout young pairs will be an excellent opportunity to invest in quality and and replace older cows that might not be producing as well.

• BW 67 // Adj. WW 628

51A: Pld ET bull calf born 8/23/19, 78 lbs., from mating of VCR Sir Duke 914 Pld and Three Trees Vanna 2856 ET, F974465.

• 577 is a beautiful made young female, excellent udder structure. As with all Maximo's she is very correct with tremendous eye-appeal. ET calf is out of 2856, the dam of lot 45, C904. 2856 is a Cigar daughter out of the legendary JWK Vanessa D029 donor cow. Recip cow is very important to get a good ET calf!!

52A: Polled ET heifer calf born 8/18/19, 60 lbs., from mating of VCR Sir Duke 914 Pld and Three Trees Vanna 2856.

• Recip is rich in Vedvei genetics and proven pedigree. 2856 is a typical Cigar daughter, big, voluminous cow with lots of natural thickness, big wide top, milks extremely well, and very feminine. You can mate them with most any bull and get a great calf. There is a lot of power in their genetic makeup!
