MEMO

Date: January 28, 2021

To: Finance and Personnel

From: Attorney Amanda Jackson

Re: Changes to Job Descriptions

The following is an outline of the proposed changes to the job descriptions on Finance and Personnel. Traditionally we would have provided a red-lined version of the job description, however with the assistance of our interim Human Resources Director and several people reviewing and revising, a red-line draft wasn't possible. Hopefully this memo will provide greater detail:

- A. AP/AR/Purchasing Clerk: The primary change was the addition of the last two essential job functions: Oversees the data entry of payroll. Acts as backup to payroll; duties may include reviewing time sheets, data entry, verification of employment, reconciliation and preparation of reports. Supervises and evaluates payroll and related staff; coordinates training for staff. The addition of these shifts the oversight of payroll from Human Resources to Finance. In doing recruitment there were multiple candidates who had strong payroll backgrounds, including the candidate that was ultimately selected and will begin on February 15, 2021. That candidate understands and is excited that payroll will be a job component. Rather than simply assign the duties, City staff felt it was important that the candidate began with a correct job description. The position was reviewed and regraded based on this and the Finance Director is comfortable that this change will work within the budget and be a good fit. We did not make any of the clean-up changes to this job description as the candidates had already interviewed for the position.
- A. Paralegal/Administrative Assistant: This position is being proposed as a full-time position and incorporates some of the duties of the Marketing/Community Engagement position. Specifically, Assists City Administration with coordination, creation and distribution of marketing materials and community outreach in the form of newsletters and electronic, social, and print media. The job description is also shortened and better clarifies the job requirements. Applications for the part-time position have been very limited and many of the applicants did not have the minimum requirements. In talking with the interim HR Director, we revised the job requirements to make it clearer to understand. We also removed a lot of redundancy, for instance there was a requirement to be proficient in Microsoft Office three times. Due to the low response to a part-time position and need for support staff in the Attorney's office, City staff is proposing that this position be made full-time and the marketing/community engagement position not be filled. There was no change to the grade of this position.
- B. <u>HR Manager</u>: This position was re-written by our interim HR Director to be more in-line with the traditional continuum of human resources jobs and the knowledge required at each level. It was also cleaned up to be less redundant (same example of the Microsoft Office and similar redundancy as referenced above), at this time it was felt that the general formatting should be in line with past job descriptions but it is likely that job descriptions as a whole will be put into a new format moving forward but the new Human Resources position should ultimately have the final say in that.

The sponsor intends this Amendment as good faith compliance with the requirements of these provisions. This Amendment shall be effective on or after the date the Employer elects in Section 2.1 below.
- 1.2 Supersession of inconsistent provisions. This Amendment shall supersede the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Amendment.
- 1.3 Construction. Except as otherwise provided in this Amendment, any reference to "Section" in this Amendment refers only to sections within this Amendment and is not a reference to the Plan. The Article and Section numbering in this Amendment is solely for purposes of this Amendment, and does not relate to any Plan article, section, or other numbering designations.

ARTICLE II ELECTIONS

- 2.1 **Effective Date.** The provisions of this Amendment, unless otherwise indicated are effective as of January 1st, 2021 (the "Effective date").
- 2.2 H.R. 133 Consolidated Appropriations Act Amendment(s). The Employer hereby amends the Plan as follows:

Carry Forward Rule for Dependents who Aged Out During Pandemic

On December 27, 2020, H.R. 133 Consolidated Appropriations Act was signed into law, impacting section 125 cafeteria plans. This guidance is designed to provide temporary flexibility for employers and employees and assist with the National response to the 2019 Novel Coronavirus outbreak (COVID-19).

Effective as of the effective date, the Employer amends their plan to allow for reimbursement out of Dependent Care Flexible Spending Arrangements for dependents up to a maximum age of 13 (increased from 12) for any dependent who attained age 13 during the last plan year where the participant enrolled during regular open enrollment in a Daycare Flexible Spending Arrangement by January 31, 2020. And for any remaining funds carried forward into the subsequent plan year.

- 1) In general-In the case of any eligible employee, section 21(b)(1)(A) of the Internal Revenue Code of 1986 shall be applied by substituting "age 14" for "age 13" for purposes of determining the dependent care assistance which may be paid or reimbursed with respect to such employee under the dependent care flexible spending arrangement referred to in paragraph (3)(A) with respect to such employee during—
- (A) the plan year described in paragraph (3)(A), and
- (B) in the case of an employee described in paragraph (3)(B)(ii), the subsequent plan year.
- (2) Application of subsequent plan year limited to unused balance from preceding plan year. Paragraph (1)(B) shall only apply to so much of the amounts paid for dependent care assistance with respect to the dependents referred to in paragraph (3)(B) as does not exceed the unused balance described in paragraph (3)(B)(ii).
- (3) Eligible Employee. For purposes of this section, the term "eligible employee" means any employee who—
- (A) is enrolled in a dependent care flexible spending arrangement for the last plan year with respect to which the end of the regular enrollment period for such plan year was on or before January 31, 2020, and

- (B) has one or more dependents (as defined in section 152(a)(1) of the Internal Revenue Code of 1986) who attain the age of 13—
- (i) during such plan year, or
- (ii) in the case of an employee who (after the application of this section) has an unused balance in the employee's account under such arrangement for such plan year (determined as of the close of the last day on which, under the terms of the plan, claims for reimbursement may be made with respect to such plan year), the subsequent plan year.

Carryover of Unused Funds in Health and Dependent Care Flexible Spending Arrangements for 2020 and 2021 Plan Years.

On December 27, 2020, H.R. 133 Consolidated Appropriations Act was signed into law, impacting section 125 cafeteria plans. This guidance is designed to provide temporary flexibility for employers and employees and assist with the National response to the 2019 Novel Coronavirus outbreak (COVID-19).

Effective as of the effective date, the Employer amends their plan to allow the carryover of unused funds from plan year 2020 to plan year 2021 and unused funds from plan year 2021 to plan year 2022.

For plan years ending in 2020 and 2021, a plan that includes a health flexible spending arrangement or dependent care flexible spending arrangement shall not fail to be treated as a cafeteria plan under the Internal Revenue Code of 1986 merely because such plan or arrangement permits participants to carryover (similar to the rules applicable to health flexible spending arrangements) any unused benefits or contributions remaining in any such flexible spending arrangement from such plan years to the plan year ending in 2021 and 2022.

These changes permit participants to carryover any unused benefits or contributions remaining in their 2020 and 2021 flexible spending arrangement from such plan year to the subsequent plan year.

The carryover guidance is an extension of coverage that is not HSA compatible, consequently any employee with unused amounts remaining at the end of a plan year or grace period ending in 2020 or 2021 will not be eligible to contribute to an HSA during the extend period (unless the FSA is a limited FSA).

Section 125 Change in Status under the Health or Dependent Care FSA

Effective as of the effective date, the Employer amends their plan to allow for the below change in status flexibility. This is a temporary change effective only for the plan year ending in 2021.

On December 27, 2020, H.R. 133 Consolidated Appropriations Act was signed into law, impacting section 125 cafeteria plans. This guidance is designed to provide temporary flexibility for employers and employees and assist with the National response to the 2019 Novel Coronavirus outbreak (COVID-19). These changes permit, under certain circumstances, prospective changes to health and dependent care FSA elections as follows:

- employees may revoke a health FSA election, make a new election, or decrease or increase an existing election on a prospective basis; and
- employees may revoke a dependent care FSA election, make a new election, or decrease or increase an existing election on a prospective basis.

Employers are not required to allow unlimited election changes but may determine the extent to which such changes are permitted and applied. Any change allowed shall not permit a revocation or decrease in election below the amount already disbursed.

- 1) In general-In the case of any eligible employee, section 21(b)(1)(A) of the Internal Revenue Code of 1986 shall be applied by substituting "age 14" for "age 13" for purposes of determining the dependent care assistance which may be paid or reimbursed with respect to such employee under the dependent care flexible spending arrangement referred to in paragraph (3)(A) with respect to such employee during—
- (A) the plan year described in paragraph (3)(A), and
- (B) in the case of an employee described in paragraph (3)(B)(ii), the subsequent plan year.
- (2) Application of subsequent plan year limited to unused balance from preceding plan year. Paragraph (1)(B) shall only apply to so much of the amounts paid for dependent care assistance with respect to the dependents referred to in paragraph (3)(B) as does not exceed the unused balance described in paragraph (3)(B)(ii).
- (3) Eligible Employee. For purposes of this section, the term "eligible employee" means any employee who—
- (A) is enrolled in a dependent care flexible spending arrangement for the last plan year with respect to which the end of the regular enrollment period for such plan year was on or before January 31, 2020, and
- (B) has one or more dependents (as defined in section 152(a)(1) of the Internal Revenue Code of 1986) who attain the age of 13—
- (i) during such plan year, or
- (ii) in the case of an employee who (after the application of this section) has an unused balance in the employee's account under such arrangement for such plan year (determined as of the close of the last day on which, under the terms of the plan, claims for reimbursement may be made with respect to such plan year), the subsequent plan year.

Carryover of Unused Funds in Health and Dependent Care Flexible Spending Arrangements for 2020 and 2021 Plan Years.

On December 27, 2020, H.R. 133 Consolidated Appropriations Act was signed into law, impacting section 125 cafeteria plans. This guidance is designed to provide temporary flexibility for employers and employees and assist with the National response to the 2019 Novel Coronavirus outbreak (COVID-19).

Effective as of the effective date, the Employer amends their plan to allow the carryover of unused funds from plan year 2020 to plan year 2021 and unused funds from plan year 2021 to plan year 2022.

For plan years ending in 2020 and 2021, a plan that includes a health flexible spending arrangement or dependent care flexible spending arrangement shall not fail to be treated as a cafeteria plan under the Internal Revenue Code of 1986 merely because such plan or arrangement permits participants to carryover (similar to the rules applicable to health flexible spending arrangements) any unused benefits or contributions remaining in any such flexible spending arrangement from such plan years to the plan year ending in 2021 and 2022.

These changes permit participants to carryover any unused benefits or contributions remaining in their 2020 and 2021 flexible spending arrangement from such plan year to the subsequent plan year.

The carryover guidance is an extension of coverage that is not HSA compatible, consequently any employee with unused amounts remaining at the end of a plan year or grace period ending in 2020 or 2021 will not be eligible to contribute to an HSA during the extend period (unless the FSA is a limited FSA).

Section 125 Change in Status under the Health or Dependent Care FSA

Effective as of the effective date, the Employer amends their plan to allow for the below change in status flexibility. This is a temporary change effective only for the plan year ending in 2021.

On December 27, 2020, H.R. 133 Consolidated Appropriations Act was signed into law, impacting section 125 cafeteria plans. This guidance is designed to provide temporary flexibility for employers and employees and assist with the National response to the 2019 Novel Coronavirus outbreak (COVID-19). These changes permit, under certain circumstances, prospective changes to health and dependent care FSA elections as follows:

- employees may revoke a health FSA election, make a new election, or decrease or increase an existing election on a prospective basis; and
- employees may revoke a dependent care FSA election, make a new election, or decrease or increase an existing election on a prospective basis.

Employers are not required to allow unlimited election changes but may determine the extent to which such changes are permitted and applied. Any change allowed shall not permit a revocation or decrease in election below the amount already disbursed.
