The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both manual and automated processes. The manual process involves reviewing each entry individually, while the automated process uses software to identify patterns and anomalies.

The third section describes the results of the analysis. It shows that there are several areas where the data is inconsistent or incomplete. These areas need to be investigated further to determine the cause of the discrepancies.

Finally, the document concludes with a list of recommendations. These include implementing stricter controls over data entry, improving the accuracy of the automated systems, and conducting regular audits to ensure the integrity of the data.

STATEMENT OF CONTRIBUTIONS AND EXPENDITURES

CANDIDATE AND CANDIDATE'S CAMPAIGN COMMITTEE

W.S. 22-25-106 through 109

(IMPORTANT! This form is for Candidates and Campaign Committees supporting county and municipal candidates, school and college trustees, district attorneys, and magistrate.)

Who must file?

Each candidate and candidate's committee is required to file campaign finance reports within the statutory deadlines, whether the candidate is successful or not; this is to include:

- Candidates who neither receive nor spend any money during the campaign must file.
- A committee formed before or after an election is required to file before each election.
- In an odd-numbered (non-election) year, a PAC or candidate committee that has not filed a statement of termination is required to file an annual itemized statement of contributions and expenditures. WS 22-25-106(b)(ii)

What must be filed and when?

- A candidate/committee shall file an itemized statement of contributions and expenditures at least seven (7) days *before* the election current to any day from the eighth day up to the fourteenth day before the election. WS 22-25-106(b)(i);(a)(i)
- The candidate/committee shall file any amendments to a filed report within ten (10) days *after* a primary, general or special election. WS 22-25-106(b)(i);(a)(i)
- A committee formed after an election to defray campaign expenses incurred during a previous election, and any ongoing committee, shall file an itemized statement of contributions and expenditures on December 31st of each odd-numbered year and shall continue to make the reports until the committee terminates. WS 22-25-106(b)(ii)

Where do I file?

- **File:** Office of your local County Clerk.
 - Please visit <https://sos.wyo.gov/Elections/Docs/WYCountyClerks.pdf> for office information.

(Note: Statewide candidates & candidate committees file online at <https://www.wycampaignfinance.gov/>)

What are the filing deadlines for the 2020 election?

- **Primary Election:** Contributions & Expenditures – 7 days before the Primary: **Aug. 9, 2022**
- **General Election:** Contributions & Expenditures – 7 days before the General: **Nov. 1, 2022**
- **Non-Election Year (odd-numbered year):** Contributions & Expenditures: **Dec. 31st**
- **Special Election:** Contributions & Expenditures – 7 days before the election

Reporting requirements:

The general rule is that a candidate/committee should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize contributions on this form that total \$100 or more. However, keep in mind that if you receive \$80 from a contributor who then later gives you \$30, you must report the total \$110 contribution on this form.

Penalty for not reporting:

A person found guilty of violating Wyoming campaign finance statutes is subject to criminal charges. Failure to file a required report could result in a two hundred dollar (\$200.00) civil penalty. WS 22-25-108(f).

Contributions – Individuals

STATEMENT OF CONTRIBUTIONS AND EXPENDITURES

CANDIDATE AND CANDIDATE'S CAMPAIGN COMMITTEE

W.S. 22-25-106 through 109

(IMPORTANT! This form is for Candidates and Campaign Committees supporting county and municipal candidates, school and college trustees, district attorneys, and magistrate.)

Who must file?

Each candidate and candidate's committee is required to file campaign finance reports within the statutory deadlines, whether the candidate is successful or not; this is to include:

- Candidates who neither receive nor spend any money during the campaign must file.
- A committee formed before or after an election is required to file before each election.
- In an odd-numbered (non-election) year, a PAC or candidate committee that has not filed a statement of termination is required to file an annual itemized statement of contributions and expenditures. WS 22-25-106(b)(ii)

What must be filed and when?

- A candidate/committee shall file an itemized statement of contributions and expenditures at least seven (7) days *before* the election current to any day from the eighth day up to the fourteenth day before the election. WS 22-25-106(b)(i);(a)(i)
- The candidate/committee shall file any amendments to a filed report within ten (10) days *after* a primary, general or special election. WS 22-25-106(b)(i);(a)(i)
- A committee formed after an election to defray campaign expenses incurred during a previous election, and any ongoing committee, shall file an itemized statement of contributions and expenditures on December 31st of each odd-numbered year and shall continue to make the reports until the committee terminates. WS 22-25-106(b)(ii)

Where do I file?

- **File:** Office of your local County Clerk.
 - Please visit <https://sos.wyo.gov/Elections/Docs/WYCountyClerks.pdf> for office information.

(*Note: Statewide candidates & candidate committees file online at <https://www.wycampaignfinance.gov/>*)

What are the filing deadlines for the 2020 election?

- **Primary Election:** Contributions & Expenditures – 7 days before the Primary: **Aug. 9, 2022**
- **General Election:** Contributions & Expenditures – 7 days before the General: **Nov. 1, 2022**
- **Non-Election Year (odd-numbered year):** Contributions & Expenditures: **Dec. 31st**
- **Special Election:** Contributions & Expenditures – 7 days before the election

Reporting requirements:

The general rule is that a candidate/committee should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize contributions on this form that total \$100 or more. However, keep in mind that if you receive \$80 from a contributor who then later gives you \$30, you must report the total \$110 contribution on this form.

Penalty for not reporting:

A person found guilty of violating Wyoming campaign finance statutes is subject to criminal charges. Failure to file a required report could result in a two hundred dollar (\$200.00) civil penalty. WS 22-25-108(f).

STATEMENT OF CONTRIBUTIONS AND EXPENDITURES

CANDIDATE AND CANDIDATE'S CAMPAIGN COMMITTEE

W.S. 22-25-106 through 109

(IMPORTANT! This form is for Candidates and Campaign Committees supporting county and municipal candidates, school and college trustees, district attorneys, and magistrate.)

Who must file?

Each candidate and candidate's committee is required to file campaign finance reports within the statutory deadlines, whether the candidate is successful or not; this is to include:

- Candidates who neither receive nor spend any money during the campaign must file.
- A committee formed before or after an election is required to file before each election.
- In an odd-numbered (non-election) year, a PAC or candidate committee that has not filed a statement of termination is required to file an annual itemized statement of contributions and expenditures. WS 22-25-106(b)(ii)

What must be filed and when?

- A candidate/committee shall file an itemized statement of contributions and expenditures at least seven (7) days *before* the election current to any day from the eighth day up to the fourteenth day before the election. WS 22-25-106(b)(i);(a)(i)
- The candidate/committee shall file any amendments to a filed report within ten (10) days *after* a primary, general or special election. WS 22-25-106(b)(i);(a)(i)
- A committee formed after an election to defray campaign expenses incurred during a previous election, and any ongoing committee, shall file an itemized statement of contributions and expenditures on December 31st of each odd-numbered year and shall continue to make the reports until the committee terminates. WS 22-25-106(b)(ii)

Where do I file?

- **File:** Office of your local County Clerk.
 - Please visit <https://sos.wyo.gov/Elections/Docs/WYCountyClerks.pdf> for office information.

(Note: Statewide candidates & candidate committees file online at <https://www.wycampaignfinance.gov/>)

What are the filing deadlines for the 2022 election?

- **Primary Election:** Contributions & Expenditures – 7 days before the Primary: **Aug. 9, 2022**
- **General Election:** Contributions & Expenditures – 7 days before the General: **Nov. 1, 2022**
- **Non-Election Year (odd-numbered year):** Contributions & Expenditures: **Dec. 31st**
- **Special Election:** Contributions & Expenditures – 7 days before the election

Reporting requirements:

The general rule is that a candidate/committee should note and keep track of all campaign contributions no matter how small. The law only requires you to itemize contributions on this form that total \$100 or more. However, keep in mind that if you receive \$80 from a contributor who then later gives you \$30, you must report the total \$110 contribution on this form.

Penalty for not reporting:

A person found guilty of violating Wyoming campaign finance statutes is subject to criminal charges. Failure to file a required report could result in a two hundred dollar (\$200.00) civil penalty. WS 22-25-108(f).
