

## List Registered Rental Properties

The following is an unaudited list of all properties that have registered with the Rental Registration & Safety Inspection Program. Inclusion on this list does not establish, confirm or validate compliance of the subject property with the requirements of Bellingham Municipal Code Titles 17 (Buildings and Construction) and 20 (Land Use Development). This unaudited list does not convey any additional rights associated with non-conformity and/or vested use of the subject property. This list will be updated as the City continues to refine its database. Properties are grouped by neighborhood and sorted by address number. Alternately, the Find feature in Adobe Reader can be used to locate properties. NOTE: Unit/House Numbers and Property Names may not display for some properties.
