NOTE ABOUT DOOR BARS

The endcaps listed in this section reflect some common matches. Please refer to the endcaps shown on the previous pages to identify your endcap. If you are still uncertain as to which endcap you need, please order by model number to insure that you receive the correct endcap for your application.

The factory approved replacement part may differ slightly in appearance, length or color to the original. If necessary, cut to the appropriate length using the original part as a pattern and smooth any rough edges.

PLEASE ORDER GASKETS BY APPLIANCE MODEL NUMBER

The OEM makes frequent gasket substitutions, thus the approved replacement part may be of a different color and at times a slightly different gasket dimension. We try to keep original gaskets available as much as possible. Should you have any concerns regarding your gasket needs, please order by model number to insure that you receive the correct gasket.
