LEARNING
REWARD
#760
SKI PRIDE

THERE IS SNOW PLACE LIKE UTAH IN WINTER!

And the best way to experience a Utah winter is on a pair of skis. I love seeing sights that few others get to see and knowing that my physical effort is what got me there gives me a sense of pride that nothing else can. At the end of the day, I feel happily sore and like I accomplished something amazing.

& Tourism instructor, Nate S.

LEARNING REWARD #453

SORRY TENNIS, I'M WITH PICKLEBALL NOW.

I first heard about pickleball from a friend. They told me that it was the most fun they'd had since they were a kid and that made me curious enough to try it. They weren't wrong! It's active, fun, and I've made so many new friends while playing it. The sound of the ball hitting my paddle is so satisfying. I definitely found my new favorite hobby!

LEARNING REWARD #249

LANGUAGE 1-0N-1

In the past, I tried to learn a foreign language through different apps, but it never worked. Learning in person made all the difference! I was able to get one-on-one help from my teacher, watch the way her mouth and tongue moved, and learn from my classmates. I picked it up faster than I thought and I can't wait to keep learning.

LEARNING REWARD #320

GO WITH THE FLOW

Kayaking is one of my favorite things to do in Utah. It really builds up my upper body and core strength as I'm twisting and paddling. It's quiet and peaceful; I can just drift down the river and hear the birds and nature. Then you hit some rough river and it's exciting and spikes my adrenaline. It's really the perfect activity!
