WARRANTY

Eaton's Wright Line Business ("Seller") warrants to the original purchaser ("Buyer") that its products are free from defects in materials and workmanship for the following warranty period applicable to the product (the "Applicable Warranty Period"):

- A. Lifetime Warranty for Wright Line Manufactured Products: The Applicable Warranty Period for a product manufactured and sold by Seller under the Wright Line brand name shall be the period of time that the original purchaser owns the product.
- B. Limited Term Warranty for All Other Products or Components: The Applicable Warranty Period for all other products, or components purchased by Eaton's Wright Line Business and integrated into Eaton's Wright Line Business manufactured products, sold by Seller, shall be the warranty as outlined in the original manufacturer's warranty.

This warranty does not cover any damage to customer equipment that is caused by an AC power disturbance or any other causes unrelated to the quality and/or functionality of Seller's products. No claims under this warranty will be valid unless Buyer notifies Seller in writing within a reasonable time of its discovery of the defect, but in any event prior to the expiration of the Applicable Warranty Period for such product. This warranty does not cover ordinary maintenance, wear and tear within the normal consumable life of a product, abuse, improper use, alterations, repairs and installations which have not been performed by an authorized Seller's representative, and products which have not been maintained or operated in accordance with Seller's written instructions.

THE FOREGOING WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ALL OTHER EXPRESS AND IMPLIED WARRANTIES WHATSOEVER, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

Seller will repair or replace, at its option, any products (or parts thereof) which are covered by this warranty and which are found to be defective. Seller may provide a substitute product of equal or higher value to resolve a warranty claim. No such repair, substitution or replacement will extend the Applicable Warranty Period. When a warranty claim arises, Buyer must contact Seller to arrange return shipment to Seller, with freight prepaid by Buyer. The risk of loss or damage to any products returned to Seller will be with Buyer.

THE REMEDY OF REPAIR OR REPLACEMENT PROVIDED FOR HEREIN IS BUYER'S EXCLUSIVE REMEDY IN THE EVENT OF BREACH OF THIS WARRANTY. IN ADDITION, SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES OR FOR ANY LOSS, DAMAGE OR EXPENSE ARISING FROM THE SALE, USE OR INSTALLATION OF THE PRODUCTS OR FROM ANY OTHER CAUSE WHATSOEVER, WHETHER BASED ON WARRANTY (EXPRESSED OR IMPLIED) OR OTHERWISE BASED ON CONTRACT, OR ON TORT, OR REGARDLESS OF ANY ADVICE OR REPRESENTATIONS THAT MAY HAVE BEEN RENDERED BY SELLER OR ITS AGENTS OR REPRESENTATIVES CONCERNING THE SALE, USE OR INSTALLATION OF THE PRODUCTS.

This warranty will be effective for products sold after January 1, 2006.
