15', 20', 25', 30', and 40' Straight Pole comes with a hoist system allowing quick and easy lowering/removal of the net after the game, season, or before a big storm. Reinstalling the net is a snap - all from ground level with no need for a ladder.

20' Offset Pole provides 3' of offset which is ideal for use around the perimeter of soccer and baseball/softball fields. It's also an added measure of safety from ricocheting balls.

Basic Features

- Pulley system to raise/lower net (excludes 10' poles)
- Ground sleeves facilitate installation and allow for system removal as needed
