

Business productivity unleashed

Portégé X30-D-1C7

More than 30 years' experience at the forefront of laptop design has made Toshiba's Portégé X30-D the 33.8 cm (13.3") business companion built to move, at only 1.05 kg. The latest Intel® Core™ U Series processors, a non-reflective FHD display, and unparalleled security features – including two-factor authentication and our own in-house BIOS – deliver uninhibited performance and reliability, all contained in a sleek, mobile and comfortable business laptop.
