

SanDisk ReadyCache™ Solid State Drive (SSD)

Highlights

- Accelerate your desktop computer without replacing your hard drive
- Up to 4 times faster boot and up to 12 times faster application response times compared to a hard drive*
- Easily install in your desktop computer
- Only for desktops running Windows® 7 operating system
- Includes 12" SATA 6Gb/s cable, screws and 3.5" bracket
- Available capacity: 32 GB**
- Warranty: 3-year limited***

Get up to 4 times faster boot and up to 12 times faster application response without replacing your hard drive.

Get all the benefits of a solid state drive at a fraction of the cost. SanDisk ReadyCache™ SSD teams up with your existing hard drive to provide a convenient way to get up to 4 times faster boot and up to 12 times faster application load and overall response times*. The ExpressCache™ software by Conduvix Technologies uses advanced caching algorithms that allow your computer to learn user storage behavior and automatically manage your data to increase overall performance†. A simple add-on solution and easy to install, SanDisk ReadyCache SSD gives your desktop computer a performance boost from boot up to shut down.

Performance¹	SanDisk ReadyCache™ 32 GB**	7200 RPM 500 GB HDD*
Sequential Read (up to)	450 MB/s	101 MB/S
Sequential Write (up to)	115 MB/s	99 MB/S
