# LOGITECH ROOM SOLUTIONS FOR ZOOM

Zoom Rooms transform any space to a Zoom meeting place with one-touch join, easy content sharing, and center of room control for online meetings. Now, Logitech® makes it easy for IT to deploy these benefits to meeting rooms of all shapes and sizes with pre-configured systems and expert support resources.

Logitech Room Solutions for Zoom include everything you need to build out conference rooms with one or two displays. Available in small, medium, and large configurations, Logitech Room Solutions for Zoom come pre-configured with a Zoom-approved mini PC, a Logitech conferencecam with RightSense™ technologies, a PC mount with cable retention, and the Logitech Tap touch controller.

Systems arrive neatly packaged and ready for installation. A setup guide shows how components fit together, while an online wizard guides you through configuration step-by-step.

With quality components, commercial-grade cabling, and innovations that automate a better user experience, Logitech Room Solutions for Zoom make it easy to deploy Zoom Rooms throughout the workplace.
