SUUNTO COMPASSES

Since 1936, Suunto has been equipping outdoor enthusiasts and professionals with precision-engineered mechanical compasses. Whatever the conditions, Suunto compasses point the way, no battery required.

Outstanding quality is the hallmark of a Suunto compass. Manufactured in Finland, every Suunto compass is rock solid and straightforward. Designed for speed, accuracy and dependability, a Suunto compass is born out of a deep understanding of users and a shared passion for adventure.

SUUNTO COMPASSES RANGE

OUTDOOR BASEPLATE COMPASSES

A reliable compass is essential for navigating and surviving in extreme conditions. These hardy baseplate compasses are ready for the challenge.

A-10

A-30
