HP Officejet J6410 All-in-One Printer, Fax, Scanner, Copier

Maximise your productivity with this fast wireless all-in-one[1]. Print single or double-sided documents and enjoy the convenience of a 35-page ADF for easy copying, scanning and faxing. Get best value printing with high-capacity cartridges[2].

The HP Officejet J6410 All-in-One Printer, Fax, Scanner, Copier is designed for small business/home office users who want to fast, wireless two-sided printing, a low cost per page and a selection of professional fax, scan and copy tools.

Get the most from your wireless network[3] with a high productivity all-in-one.
Add this highly versatile all-in-one to your wireless[3] or Ethernet network and see how much more you can get done with your day. Save paper and money with automatic two-sided printing – easy to use with no settings to change. Copy, scan or fax multipage documents easily and reliably using the 35-page Automatic Document Feeder, leaving you free to do something more productive. Load up the 250-sheet paper tray and leave large print or copy jobs running without worrying about running out.

Enjoy fast, high quality printing and a low cost per page with HP Vivera Office inks.
Save time and money without compromising on quality with this high performance device. Get the job done faster with print and copy speeds of up to 31 ppm black and 25 ppm colour. Choose optional high-capacity ink cartridges[4] for more affordable printing and fewer cartridge changes. Get great results with HP Vivera Office inks – long-lasting, laser-quality documents and professional-quality colour graphics and photos. Be sure of optimised print settings with the auto paper-type sensor.

Streamline a host of everyday business tasks with professional fax, scan and copy tools.
Manage your fax traffic using 100 programmable speed dials and 100-page fax memory – stored faxes remain safe even after power failures. Send and receive black and white or colour faxes quickly and efficiently with 33.6 Kbps modem. Scan and fax directly to a computer, a network folder or a memory card. Enjoy the convenience of walk-up copying – no need to power up your PC. Digitise documents for archiving or photos for reprints or promotional material with 4800-dpi scan resolution[5].

[1] Wireless performance is dependent upon physical environment and distance from access point
