2.5" Hot Swap Hard Drive Tray

Product ID: SATSASTRX25

This 2.5" hard drive tray lets you add even more flexibility to how you manage your data storage with the SATSASBP425 and SATSASBP125 series backplanes.

Convenient, interchangeable drive tray

This spare drive tray can help you save time in a fast-paced work environment. It's interchangeable with trays from the StarTech.com single-bay backplane (SATSASBP125) and the four-bay backplane (SATSASBP425), giving you an extra tray in addition to the trays you're already using, to create expandable storage or as part of a rotating back-up solution.

Easy compatibility

The drive tray supports both SAS and SATA 2.5" drives, ranging from 5 to 15mm in height. To maximize the performance of your hard drives, the single and quad-bay backplanes support SAS II and SATA III enabling file transfer speeds up to 6 Gbps when paired with a compatible controller.

Vented metal design for durability

The durable aluminum drive tray is designed for long-lasting performance. The venting helps to ensure proper air flow and maximize heat dissipation, to help keep your drives running at optimal temperatures.

The SATSASTRX25 is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- Be ready with multiple replacement drives for the SATSASBP125 and SATSASBP425 mobile rack backplanes
- Keep spare or replacement hard drives on hand for expandable storage
- Use the tray for extra hard drives for rotating backup solutions

Features

- Swap drives quickly with this drive tray for 2.5" SSD/HDDs
- Interchangeable with the single-bay (SATSASBP125) and quad-bay (SATSASBP425) backplanes
- Compatible with 2.5" SAS or SATA SSDs and HDDs 5-15mm
- Durable aluminum tray with ventilation
- Flammability rating of UL 94-V0

Hardware	Warranty	2 Years
	Compatible Drive Types	SAS & SATA
	Drive Size	2.5in
	Fan(s)	No
	Number of Drives	1
	Supported Drive Height(s)	5mm
		7mm
		9.5mm
		12.5mm
		15mm
Software	OS Compatibility	OS independent; No software or drivers required
Environmental	Humidity	5%~65% RH
	Operating Temperature	0°C to 55°C (23°F to 95°F)
	Storage Temperature	-20°C to 55°C (-4°F to 131°F)
Physical Characteristics	Color	Black & Silver
	Enclosure Type	Steel and Plastic
	Max Drive Height	0.6 in [15 mm]
	Product Height	0.7 in [16.9 mm]
	Product Length	4.7 in [118.7 mm]
	Product Weight	3.2 oz [90 g]
	Product Width	2.8 in [70 mm]
Packaging Information	Shipping (Package) Weight	4.2 oz [118 g]
What's in the Box	Included in Package	1 - 2.5" hot swap hard drive tray
		4 - screws
		2 - keys
