Connect & Collaborate with Interactive Flat Panel Displays!

Moving from passive learning to peer-to-peer collaboration takes a redesign of the classroom. ViewSonic can help. Ranging in sizes from 55" to 86", and featuring 20-point touch screens, our ViewBoard® interactive flat panel displays easily integrate into your Google Classrooms. What's more, embedded vBoard™ software lets users edit and annotate on-screen, and save directly to Google Drive™.
