COUNTY OF SANTA CLARA SALARY ORDINANCE

ORDINANCE NO. NS-5.24

AN ORDINANCE RELATING TO OFFICES OF THE COUNTY OF SANTA CLARA FIXING THE COMPENSATION AND SALARY OF DEPUTIES, ASSISTANTS, AND EMPLOYEES IN SUCH OFFICES, AND REPEALING ALL OTHER ORDINANCES IN CONFLICT HEREWITH

The Board of Supervisors of the County of Santa Clara, State of California, does ordain as follows:

SECTION A: DEPARTMENTAL POSITION ALLOCATIONS AND COMPENSATION

- (1) Based upon competent evidence submitted at the salary hearings of the County of Santa Clara for the fiscal year 2023/2024 and acting pursuant to the provisions of the Charter of the County of Santa Clara, the wages found herein may be modified in order to reflect those prevailing throughout the County of Santa Clara for comparable work. The salaries, wages, compensation and expenses provided herein shall be in full for all official services performed unless herein expressly otherwise provided and shall be paid on the basis of the biweekly pay period plan. Compensation shall be payable on or before the seventh (7th) calendar day after the conclusion of each biweekly pay period for services rendered during the preceding biweekly pay period. All officers and employees of the County shall charge, collect and pay all fees required by law to be charged, collected and paid into the County Treasury and no officer or employee of the County shall be compensated by fees. The appointment and tenure of the County officers and employees shall be prescribed in Chapter III of Division A25 of the County of Santa Clara Ordinance Code. The number of County officers and employees shall be specified in this Ordinance under the column entitled "Total, Positions and FTE."
- (2) A vacant position may, with the approval of the County Executive, be deleted if the position is replaced by a position within the existing classification plan. The replacement position must also be within the same budget unit and same bargaining unit. A position change cannot require additional appropriation in the current fiscal year. On a cost center basis, the cumulative salary and benefit increases resulting from position changes authorized under this section shall not generate more than a ten percent increase in ongoing costs for the subsequent fiscal year.

SECTION B: JOB CLASSIFICATIONS AND SALARY RANGES

The officers, deputies, assistants, and employees of the various County departments and institutions shall be classified and shall receive as full-time biweekly compensation for the services required of them by law or by virtue of their office, the salaries as set forth in the Salary Schedule.

- (1) Where a vacancy exists in a position authorized by the Salary Ordinance, an appointing authority, in lieu of filling the vacancy in the class authorized, may, with the approval of the Personnel Director, fill the position at the lower related class level provided:
 - a. Either there is no current appropriate eligible list for the higher class; or positions in classes in the same series are to be underfilled for specific training purposes; and
 - b. The typical tasks, duties and responsibilities required of the higher class include those required by the related lower class. The appointing authority may subsequently fill such position at the class level established by the Salary Ordinance provided that

such action will not result in the removal of an incumbent with permanent status except as provided by Charter Section 708.

- (2) The rate of compensation for extra help, or for persons employed and working on an hourly basis, shall be computed at an hourly rate equivalent to the hourly rate for Step 1 of the salary shown in the Salary Schedule for that extra help classification. If no extra help classification exists in the Salary Schedule, the rate shall be set at Step 1 of the salary shown in the Salary Schedule for the corresponding classified classification less any amounts as required by MOU; except that extra help may be appointed at any step in the appropriate salary range depending on the difficulty of recruitment, unusual qualifications or upon prevailing rates being paid upon the recommendation of the Director of Personnel and the approval of the County Executive.
- (3) Upon recommendation of the Director of Personnel and the approval of the County Executive, the rate of compensation for those employees who were hired on an exempt, unclassified or contractual arrangement and subsequently converted to extra help may be set at the salary step closest to their previous salary, but not to exceed the third step of the appropriate salary range.
- (4) Management Salary Ordinance designated, unrepresented management positions are not included in the Ordinance but can be found in the Executive Management Salary Ordinance, NS-20.23.

Sections 9, 13, 17, 21, 26, 40, 42, 43, and 45 are not included in the list below as these Sections are RESERVED and are not to be used for the addition of future Budget Units
