Implementation Phase Pricing	
Description	Price
Due to the unique nature of each customer or location, Implementation would be priced based specific to the requirements and size of each location or project. Implementation could be priced either as a one time charge, or hourly with a statement of work. However, the implementation would not exceed an hourly rate of \$90 per hour.

Description	Price
Training is included at no additional cost.	

Fleet Management	
Description	Price
Onsite/Full Time	\$75,000 annually
Part Time	\$150 Per hour- Min 2 hours

Service/Help Desk	
Description	Price
Hourly rates for Service/ Help Desk Integration	Notes: Pricing has general ROM pricing for integration, however, this really requires an appropriate SOW and is a complex project. Bids should have content on this as this is not an uncommon request.
Include cost of outright purchase, monthly cost, or per device	GOLD desk services are included in our pricing, however, if customers want true Software integration, onsite Help Desk or queue management then the pricing would be different based on a SOW and project plan. Any integration beyond the scope for standard GOLD desk would be priced based on SOW.
