**214 - COLT DRAGOON FLASK**

A very rare and desirable original Colt Dragoon revolver powder flask, circa 1848-1855. The flask is decorated on both sides with the 'Trophy of Arms' design that features a cannon and mortar in front of the US and Texas flags and above crossed rifles and revolvers. The bottom is marked COLT'S PATENT. The suspension rings are the correct triangular type as specified by Captain Walker. The top is the early non graduated plunger type with ball compartment. There are no makers or inspection marks on the top or ball cover which indicates to us that this most likely is a civilian model. The flask retains nearly all its original lacquer finish with slightly less to one side and is without dents or splits. Measures 188mm plus 35mm charger and 94mm across. A top example for the discerning Colt or flask collector. ExWO&C

**215 - REMINGTON NEW ARMY REVOLVER**

Metalwork has relatively sharp edges and turn overall blue turning grey. VGC original walnut grip with inspectors cartouche and varnish finish. Action is strong and functions well. VGWO&C NLR

**216 - WINCHESTER '66 CARBINE**

Rare antique U.S lever action, third model 1866 carbine, circa 1874. 20" .44RF cal round barrel with full length magazine and correct carbine barrel band, front sight and flip up rear sight. The barrel address is no longer present but traces can be made out between the rear sight and barrel band. The brass frame is marked behind the trigger with the serial number in the 119,000 range and the left hand side is fitted with saddle ring. Metalwork has dark patina with traces of blue and the brass has a nice dark uncleaned finish. There is an aged crack running along the wrist of the gun between the saddle ring and top tang and there are some handling dings to the correct carbine butt stock with brass plate. This is the only 1866 carbine we have had for sale in the past 10 years and are seldom seen in NZ. VGWO&C ALR Est \$10,000 -13,000

**217 - WINCHESTER '66' RIFLE**

US antique 4th model 1866, lever action rifle, circa 1886. 24" .44RF cal round barrel with full length magazine tube and fitted with buckhorn rear sight (missing the riser) and dovetailed foresight with bright finish. Two line Winchester Newhaven address and patent information. The receiver is marked on the underside .44 CAL and script serial number in the 164,000 range behind the lever. The brass has a nice uncleaned honey colour and the band and tube retain most overall dulling blue. ExC original woodwork with rare special order shotgun butt. Externally a very nice example but like many of these black powder guns the bore is in quite poor condition otherwise VGWO&C ALR Est \$6,000-8,000

**218 - ARTILLERY LUGER PISTOL**

Imperial German WWI LP08 pistol. 8" 9mm cal barrel with original micro adjustable foresight and micro adjustable tangent rear sight as well as marked with the serial number and acceptance mark. The chamber is dated 1917 and marked on the side with German Military proofs. The toggle is stamped DWM. Metalwork is in ExC retaining near all original bright rust blue and straw colours with correct holster loss on the edges of the side plate and muzzle. ExC original grips. The gun is unit marked J.R.133 2.K 9. (Rifle reserve cavalry) on the grip strap Unit 1. Included with the gun is its original shoulder stock, holster, cleaning rod and stripping tool. All serial numbers on the gun are matching except the magazine which is a correct un-numbered but proofed example. The stock is a different number to the gun, however, it is unit marked J.R.133 2.K 3. (only 7 numbers from the gun) which give proof to the theory that guns and stocks were often issued without care to matching them and why it is so hard to find them matching. Only 1% of 1917 LP08's were unit marked making this a very desirable collector piece. ExWO&C B/CLR Est \$5,000 - 7,000

**219 - ERFURT LUGER PISTOL**

Rare Imperial German Army pre War Erfurt manufacture P08 pistol. 4" 9mm cal barrel with original foresight and is proof marked and serial numbered. The chamber is dated 1911 and has Erfurt proofs on the side. The toggle is marked ERFURT and correctly does not have the hold open feature. The small parts also have the correct Erfurt inspectors marks. The frame is the correct type without stock lug. Metalwork has near all original rust blue and straw colours and all visible serial numbers except the magazine (which is correct type) are matching. The grip strap has an interesting unit marking of L.K.1, most likely for Airship / Zeplin command. Excellent condition original grips. Pre War Lugars are seldom encountered in NZ and this is one of the best we have seen. ExWO&C B/CLR

**220 - TWIGG BLUNDERBUSS**

Antique Flintlock blunderbuss, circa 1760, by famous London gun maker John Twigg. 15½" Octagonal to round barrel flaring at the muzzle. *\* Due to recent changes in legislation around magazines, prohibited magazines that are for a restricted weapon will not be available for pick up at this sale. These will be stored for you. For more information or any questions about this issue please call us.*

We will have an Arms Officer in attendance for your convenience to arrange permits.

\* Pistol Club shooters – If you wish to uplift a pistol on your B license at the auction you will have to bring with you a “pinkie” form from your pistol club secretary. Otherwise you can arrange to pick up the pistol at a later date.

We will have EFTPOS for your convenience. Note there is often a bank limit on eftpos of \$2000. We accept Visa and Mastercard – 3% surcharge will apply for credit cards. Sorry we do not accept American Express.

Please bring gun bags and/or lock boxes for transport of firearms from the venue.

**POSTAL BIDDERS**

We guarantee to get your lots at the lowest possible price having regard to the next highest postal bid, bidding off the floor and any reserves. Send your bids early, if two bids are the same the first bid we receive takes preference. Fax, email or post your bids on the postal bidding form included with the catalogue. Payment must be made on receipt of invoice. Do not wait until you get your permits as delays hold up payments to our vendors. Sorry we can not courier to post boxes, our courier requires a physical address. International bidders please contact us for an estimate on freight and other charges.

**BUYERS PREMIUM**

12% Buyers premium on the hammer price applies plus G.S.T on the premium only

**POSTAL REQUIREMENT OF 1993 ARMS ACT**

All firearms and ammunition (excluding antique) require a mail order form from a Police Officer validating your license. This form is forwarded on your behalf to us from your local Arms Officer / Police station. Pistols & restricted weapons require a permit to procure before delivery

EXPORT – We can export to most countries. Firearms including antique have to be exported via air freight. We have a freight forwarder who can organise this for you. An export license will need to be obtained. We charge a \$80 fee for our time in organising the export and packaging, The freight forwarder will charge you for the NZ export license and the freight for the firearm(s). This is usually charged forward and you will pay this on receiving your goods. The export process can take around 4-8 weeks. For an estimate of the export license and freight charges please contact us. NZ G.S.T (VAT/sales tax) is only on the commission / buyers premium portion of the items, because this service occurs in New Zealand this must be charged on exports. Items that are not firearms can be sent via NZ postal service and will be charged at that rate plus packaging. Some items with historical significance to New Zealand may not be able to be exported.

**CARVELL'S AUCTIONS CONDITIONS OF SALE**

1. Buyers Premium. Buyers will be charged 12% of the hammer price, GST of 15% will be charged on the buyers premium only.

2. All lots sold as shown & with all faults, imperfections and errors of description. The Auctioneers act as agent: they have full discretion to refuse any bidding or to withdraw any lot or lots from the sale without in either case giving any reason: neither they nor the vendor are responsible for errors of description or for genuineness or authenticity of any lot or for any fault or defect in it and make no warranty. Due to the accurate reproduction of some badges and particularly German, we catalogue all such items as they appear to be, this is in line with major auction houses worldwide, it is up to the bidder to satisfy himself on any such lots.

3. The highest bidder to be the purchaser, subject to the Auctioneers having the right to refuse bidding of any person. Should any dispute arise as to the biddings the lot in dispute is to be immediately put up for sale again at the preceding bidding or the Auctioneers may declare the purchaser.

4. No person shall advance less at a bid than the sum to be nominated by the Auctioneer and no bid shall be retracted.

5. All lots sold subject to the right of the seller or his agent to impose a reserve.

6. The purchaser to give his name, address, firearms license details and to pay for all lots in full at the conclusion of the sale. In default of which matters the lot or lots purchased may be immediately resold.

7. The lots are at the buyer's risk from the fall of the hammer and are to be taken away at the buyer's expense, in default of which the Auctioneers will not hold themselves responsible if the same are lost, stolen, damaged or otherwise destroyed, but they will be left at sole risk of the purchaser. If the lots are not cleared or paid for, they may be sold immediately without prior notice being given to the defaulter.

8. Firearms Licenses and or appropriate permits must be produced along with receipted invoices prior to delivery of any lot.

9. Payment: Payment must be made on the day of the auction unless prior organised with Carvells Auctions. Payment options are Eftpos, Bank Cheque, Cash, Personal Cheques and internet bank transfer by arrangement, the Auctioneers reserve the right to request identification in the case of any purchaser not known to the Auctioneers. Credit Cards ie Master Card/ Visa will be accepted, however a 3% service charge will apply. Note the bank often has a limit of around \$2000 per day for eftpos

10. The Auctioneers cannot be held responsible for any injury or damage to persons or property through attempts to fire any firearms which are sold as collectors items only, this also applies to all ammunition.

11. **POSTAL BIDS:** Lots will be bought as favourably as allowed by other such bids, bidding on the floor and any reserve. All bids must be accompanied by a signed photo copy of your firearms license. Only successful bidders will be notified. Freight and Packing charges incurred will be paid by the successful bidder. We dispatch via Courier, street address or suitable drop point, **PLEASE NO PO BOXES.** We take all care but accept no responsibility. Each package has \$1000 insurance limit, also applies to items sent by post.

12. **POSTAL BIDDERS:** Payment must be made on receipt of invoice.

13. **FIRST TIME BIDDERS** will need to establish a line of credit by supplying credit card details.

14. We accept your bids in good faith however bad debts and change of mind are not acceptable. Recovery of debts will be strongly pursued through legal channels.

15. If you are bidding on behalf of another person you are responsible for inspecting the item and payment.

16. Measurements and weights are only an approximate.
