See more. Do more.

With 15 diagonal inches of screen real estate, you can work in multiple tabs and windows for maximized productivity. And with a full-size numeric keypad, you can get through data-driven tasks in no time.

Power user performance

Say goodbye to slowdowns. Power through your projects and cut through your workload with 8th Gen Intel® processors and 50% faster graphics than our last gen. Open large files and run multiple apps for speedy multitasking and productivity.
