

24in Internal 5 pin USB IDC Motherboard Header Cable F/F

Product ID: USBINT5PIN24

The USBINT5PIN24 Internal USB Cable features two 5-pin USB motherboard header connectors, enabling you to connect a front panel USB hub or card reader directly to the motherboard header ports.

This 24in/2ft cable provides a convenient solution for connecting multi-function front panels, or any device that relies on internal USB ports, directly to a motherboard or expansion card USB IDC (Header) connection, without having to install additional cards or run cables externally to the rear ports.

Constructed of high quality materials and expertly constructed for durable performance, the 5-pin USB Header Cable is backed by StarTech.com's Lifetime Warranty.

Certifications, Reports and Compatibility
