Pelican™ Storm Case™ iM2500

# G | SPEED® SHUTTLE XL

## Protective Case

### Protective case to transport your G-SPEED® Shuttle XL

Protect and transport your G-SPEED® Shuttle XL with the Pelican™ Storm Case™ iM2500. The carry-on size case meets most airline baggage requirements and ships with custom foam designed to protect the G-SPEED Shuttle XL and cradle it during travel. This is not the “pick n pluck” foam you’re used to, the durable custom foam is made to last and support your storage solution. Available with two Evolution Series drive module slots or one Enterprise-class drive spare module slot.
