Expand Your Options

Not staying in one place? Bring anything you need when you're commuting or traveling with a comfortable laptop bag that adapts to you. Need more space? Just unzip and expand up to 20% capacity. With that much space, you're good to go for whatever work or life gives.

Pockets for Days

With space for up to a 16" laptop and your other devices in dedicated compartments, this laptop bag keeps you organized and ready for anything--work, life or travel. Interior and exterior slip and zip pockets simplify access while a cable pass-through and exterior USB-C® port offers convenient charging.

Got The Planet's Back

Keep your devices protected and keep your commitment to the planet. The exterior material of the laptop bag contains 100% recycled plastic, which means there's 10 less plastic bottles out there[1].
