

EB-G6970WU

Deliver sharper, clearer presentations with this powerful 6,000-lumen WUXGA installation projector with 3LCD technology and a range of innovative features

The EB-G6970WU is a professional installation projector ideal for corporate environments, education applications, rental markets and digital signage. Important presentations and sales campaigns are delivered with rich, vivid colours - even in daylight, thanks to Epson's 3LCD technology and equally high White and Colour Light Output. The projector can even be placed in difficult positions thanks to a number of innovative installation features.

Ensure superb quality and the best possible delivery of presentations with the EB-G6970WU. This 6,000-lumen projector includes Epson's 3LCD technology and high brightness to display images with more accurate colours and clearer detail. A new enhanced standard lens helps reduce flare and improve focus.

Set-up and installation is simple and straightforward. Curved surface and corner wall correction and a wide lens shift means images can be projected onto difficult and uneven surface areas without distortion. In addition, a powerful zoom lens, as well as manual vertical keystone correction and centred lens, make it even easier to set-up in various positions. The projector can also be rotated vertically by 360 degrees allowing images to be projected directly onto the ceiling and the floor¹.

The EB-G6970WU also includes a number of innovative features. Edge-blending enables a number of projectors to work together seamlessly to project a large, widescreen image. Five devices can also be connected to the projector through the HD-BaseT input using a 100m cable. With the HDMI input, users can connect to a variety of high definition devices to deliver high-quality content effortlessly. Frame Interpolation ensures video footage is sharper and images are clearer with smoother, more fluid screen movement.

For simpler integration with existing equipment, this model is also compatible with the Epson EB-G5 series lenses².

DATASHEET / BROCHURE

KEY FEATURES

- **Ultra-bright output**
Equally high 6,000lm White and Colour Light Output
- **High-quality image**
3LCD technology, WCLO, colour uniformity, enhanced standard lens
- **Flexible installation**
Wide lens shift, curved surface and corner wall correction
- **Easy to set up**
HDBaseT and HDMI connectivity.
Compatible with Epson EB-G5 series lenses²

WHAT'S IN THE BOX

- Power cable
- CD Manual
- Cable cover
- Cable hook
- VGA cable
- Remote control incl. batteries

OPTIONAL ACCESSORIES

- 3D Polarizer - ELPLP01
V12H618A01
- HDBaseT Transmitter - ELPHD01
V12H547040
- Air Filter - ELPAF43
V13H134A43
- Lamp - ELPLP76
V13H010L76
- Ceiling Mount (White) - ELPMB22
V12H003B22

EB-G6970WU

OPTIONAL LENSES

- Lens (ST Off Axis) - ELPLU01
V12H004U01
- Lens (Long Throw) - ELPLL06
V12H004L06
- Lens (Middle Throw 2) - ELPLM05
V12H004M05
- Lens (Middle Throw 1) - ELPLM04
V12H004M04
- Lens (Rear Wide) - ELPLR03
V12H004R03

LOGISTICS INFORMATION

SKU	V11H697041 V11H697040
EAN code	8715946548678
Dimensions Single Carton	762 x 432 x 324 mm
Carton Weight	12.9 Kg
Country of Origin	China
Layer	1 Units
