

IN1118HD

Ultra-Portable Projector with PC-less Display

Part #: IN1118HD

InFocus

The IN1118HD mobile projector is the brightest product on the market, lumens per pound, and this book-sized projector goes anywhere.

Key Features

- ◆ Compact and lightweight for easy travel
- ◆ The only full 1080p HD products on the market at this ultra-portable size
- ◆ 2,400 lumens for bright images in any light
- ◆ PC-less display from USB drive or 4GB of internal memory
- ◆ Add the [LightCast Key](#) to wirelessly cast from any device or view documents
- ◆ Connect via HDMI and USB with ease
- ◆ Includes carrying case for easy portability
- ◆ Durable, road-tested design that's built to last

"Highly Recommended" -- [IN1118HD review by HomeTheaterHiFi.com](#)

LightCast Wireless Collaboration

Use the [LightCast Key](#) (sold separately) to easily connect and share content from your Apple, Windows, Android, or Chrome devices. Access the document viewer for PC-less presentation, and then browse the internet or use a digital whiteboard, all without connecting a device.*

* Wireless keyboard and mouse are recommended for digital whiteboard and internet browser usage.

Carry it Everywhere

At only 3.5 lbs. and the size of a small hardback novel, the IN1118HD projector is easy to pack and carry in its included soft case, a backpack, or your laptop bag. Take your

presentations with you and never worry about on-site AV again.

Display from No Device at All

Leave your laptop behind and project images, audio and video directly from 4GB of on-board memory. Just load your files and go.

Built for the Road

A recessed lens keeps this projector safe from impact, plus a smooth exterior has no edges to snag or break when taking it in or out of the included carrying case.
