## 64 GB iShuttle USB 3.0

Get more out of your Apple device with the Integral iShuttle a compact and convenient USB 3.0 Flash Drive with added Lightning connector, so you can easily transfer and backup photos, videos and music between you iPhone, iPad, Mac and PC, without the need for iCloud or an internet connection. Never fear of running out of precious space on your iPad or iPhone. The Integral iShuttle provides backup memory for your device that you can carry in your pocket. Using the free app you can view photos and documents and play videos and music on your iOS device directly from the iShuttle, greatly freeing up space on your device for even more apps and data.

- Free up space on your iPhone and iPad; copy your images, videos and documents to the iShuttle USB
- Open photos, videos, music and docs directly from iShuttle without having to copy to Apple device or computer
- HD movie streaming, direct playback from iShuttle drive
- Sleek, compact design with convenient slide-out Lightning connector
- Free iShuttle App (download from the App Store)
