

The Starline II LED perfectly combines innovations in heat management, optical performance and energy saving in a sleek exterior.

The ultimate solution to replace traditional HID sources with versatility and reliability. High power LEDs minimise energy and operating costs, while the low profile appearance and low weight allow the Starline II to be safely installed on new and existing infrastructure.

Mounting Options

- Pole/Column
- Post Top/Slip Fitter
- Side Entry Spigot
- Wall Mount

International Approvals

CE

Standard Specification

Starline II LED Streetlight
