UGP Series - Aluminum 15 Amp 125VAC Interchangeable Blade Style Plug With Quick Wiring - NEMA Configuration 5-15P.

Features

- Factory sealed chamber in UGR receptacle contains switch's arcing components.
- Spring loaded receptacle cover closes when plug is removed.
- Copper-free aluminum (less than 4/10 of 1%) alloy resists corrosion
- Electrostatically applied and baked powder epoxy/polyester finish
- ACCEPTOR® plugs conform to NEMA configurations, while it's "turn to engage" feature locks in plug and can be used to prevent accidental disengagement of critical equipment.
- Plugs for use with type S/SO/ST/STO heavy duty cord.

Application

Petroleum refineries, chemical plants, wet/damp areas, corrosive environments, petroleum plants, grain elevators/feed mills, flour and feed mills, and indoor or outdoor locations
