According to its model, Dell continuously monitors the cost components of its products. We review regularly our pricelists and we invite you to check the latest rate on our website <http://www.dell.co.uk>.

This document provides Dell list prices for commercial product upsell components, covering OptiPlex, Latitude and Precision products. Reference list prices are applicable for customized build-to-order commercial client products only.

This reference price list is updated monthly.

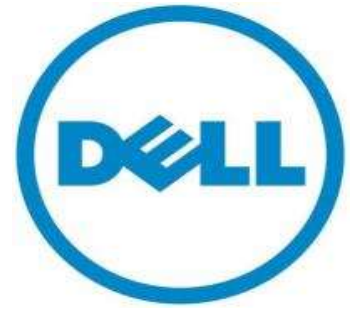

Dell reserves the right to change these prices without notice.
