Characteristics

Built-in microphone

The built-in microphone is ideal for phone calls and voice messages without removing the earphones. Got a call? Answer it easily with the built-in microphone.

3-button remote control

Quickly answer phone calls and easily control your music playback by simply pressing one of the 3 control buttons.

Ergonomic design: Button format

Careful design for a perfect fit that ensures a comfortable listening experience and a secure fit. Force Play wired earphones hug the ear for optimal listening quality and stay with you all day, for work or play.

Reinforced design

The braided nylon cable cover ensures greater durability by resisting stress, torsion and wear, and also prevents the cable from tangling. Enhanced with a stylish metal coating on the connectors, the quality and durability of the earphones is reinforced to suit the demanding daily use of users.

Quality listening experience

Our earphones provide a quality listening experience. They produce clear, deep stereo sound and offer excellent bass and treble reproduction for a clean sound with a wide frequency range (20Hz-20kHz).

Optimal sound quality

Thanks to a moderate impedance of 32Ω, they offer a purity of sound and a better sound transmission. Whether it's for your music, TV series or video games, the sound quality is ideal so that you don't feel any hearing fatigue, even during prolonged listening.

100% recycled plastic

Our Force Play earphones are eco-designed and made of recycled plastic to reduce environmental impact.

How does the Recyclerie work?

You have just purchased one of our products and you wish to return your old product to us for recycling.

We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?

Thanks to the QR code or link provided in the pack of the purchased product, download a prepaid return on our website to send us your product to be recycled.

What happens to my old product?

Once recycled, your product is reintegrated into the production of everyday objects such as: bicycles, radiators, public benches, etc., this is called the circular economy!

What is my product's Green Act rating?

Green Act has been designed to help you make a more responsible choice in favor of the environment when buying an accessory for your mobile. Each product is rated on more than 70 criteria evaluating its environmental, social and ethical impact as well as its performance in use. Find out how the environmental impact of our products is calculated at www.thegreenact.org.
