

1m Yellow Mobile Charge Sync USB to Slim Micro USB Cable for Smartphones and Tablets - A to Micro B

StarTech ID: USBAUB1MYL

The USBAUB1MYL 1m Yellow Micro USB Cable provides a stylish and reliable solution for charging and syncing your Micro USB smartphone or tablet with your PC or Mac® computer, through an available USB port.

The cable is colored to suit your yellow mobile devices but it can be used with any of your Micro USB-enabled mobile devices – so don't be afraid to be colorful and select from any of our colored Micro USB cables such as Pink, Green, Yellow or Blue. You can create the perfect color match with your smartphone or tablet or be creative with your own unique look!

Plus, the cable offers a slim Micro USB connector molding which plugs into your device even while it's inside a protective case, so you won't have the hassle of constantly removing the cover each time you charge or sync.

Designed and constructed for maximum durability, this high quality USB-A to Micro-B cable is backed by StarTech.com's Lifetime Warranty.

Applications

- Charge and sync your Micro USB-equipped mobile digital devices
- Replace the cable that came with your device or keep one as a spare while traveling

Features

- Stylish yellow design
- Slim Micro USB connector molding
- Aluminum-mylar foil with braided shielding
- Supports high-speed USB data transfer rates of up to 480 Mbps
