

3.5in Black USB 3.0 External SATA III Hard Drive Enclosure with UASP – Portable External HDD

StarTech ID: S3510BMU33

The SAT3510BMU33 Black USB 3.0 Hard Drive Enclosure with UASP lets you connect a 3.5 in SATA III hard drive (HDD) through an available USB port. The enclosure delivers optimal performance with a USB 3.0 connection, but is backward compatible with USB 2.0/1.1 host connections as well.

Enhanced with UASP (USB Attached SCSI Protocol), this 3.5" SATA III enclosure performs up to 70% faster than conventional USB 3.0 when paired with a UASP-enabled host controller. Using a more efficient protocol than the traditional USB BOT (Bulk-Only Transport), UASP reduces latency, significantly increasing transfer speeds.

With support for SATA I/II/III, and large capacity drives (tested up to 4TB) this HDD enclosure is compatible with virtually any 3.5in SATA hard drive, and can greatly increase the storage/backup capabilities of your computer.

The USB 3.0/SATA III enclosure features high quality aluminum construction, ensuring durability.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.

Applications

- Take advantage of new laptops and desktops with USB 3.0 (UASP) connectivity
- Turn a high capacity SATA hard drive into portable, external storage
- Create a fast, portable external storage solution for desktops, laptops or netbooks
- Upgrade from a USB 2.0 drive enclosure to faster USB 3.0
- Add-on extra storage to almost any USB enabled computer system
- Backup important data to an external storage device
- Share large files between computers quickly and securely without a network
- Retrieve data from an old SATA drive, or turn the unused drive into additional external storage space

www.startech.com 1 800 265 1844

Features

- Compliant with USB Attached SCSI Protocol (UASP) Transport Specifications
- Light-weight and durable aluminum enclosure
- SuperSpeed USB 3.0 compliant host interface supporting data transfer rates up to 5Gbps
- High Speed USB 2.0 compliant host interface, with transfer rates up to 480Mbps
- Power/Activity LED indicator
- Compatible with SATA revision I/II/III (1.5/3.0/6.0 Gbps) drives
- Plug-and-Play and Hot-Swap compatible
- Vented Drive Tray

Spec Sheet

System and Cable Requirements	Available USB port
Shipping (Package) Weight	18.8 lb [8.5 kg]
Included in Package	1 - 3.5" USB 3.0 SATA III HDD Enclosure
Included in Package	1 - Screw Kit
Included in Package	1 - Universal Power Adapter (NA / UK / EU)
Included in Package	1 - USB 3.0 Cable
Included in Package	1 - HDD Stand
Included in Package	1 - Product Manual
Included in Package	1 - Product Manual
