

White Slim Mini Jack Headphone Splitter Cable Adapter - 3.5mm Male to 2x 3.5mm Female

StarTech ID: MUY1MFFADPW

The MUY1MFFADPW White Slim Headphone Splitter Cable splits a single 3.5mm audio output into two separate outputs, enabling you to connect two sets of headphones or speakers to your MP3 player, Tablet PC or laptop computer.

The Headphone Y-Cable allows you to share your favorite songs and videos with a friend while you are travelling or on the move and it features a slim connector molding that fits easily into a 3.5mm headphone jack, even if your mobile device is in a protective case.

This splitter adapter cable is colored to suit white mobile devices, and can be used with any portable device that has a 3.5mm mini jack, such as your iPhone®, iPod® and iPad®. The cable features a compact, lightweight design that takes up very little space in your laptop bag or carrying case.

The MUY1MFFADPW White Headphone Splitter Cable is backed by StarTech.com's Lifetime warranty for guaranteed reliability.

Applications

- Great for splitting audio from MP3 players and other mobile digital devices that feature a 3.5mm audio output jack (e.g. iPod, iPhone, iPad)
- Split the audio from your sound card

Features

- All-white construction
