Improve workflow management and accommodate multiple users by upgrading your printer to automatic stapling and sheet stacking. Monitor your printer less frequently with convenient automatic job stapling and sorting in the additional output bin.

Upgrade your printer and improve your work flow with automatic stapling and job collating.

- Speed up productivity and save time by streamlining workflow processes with automatic stapling. Staple up to 15 pages per document and get job collation and sorting in the process.
- Large 500 sheet tray expands your printer's output capacity and accommodates multiple users' jobs.
- Save time finding your print job with jobs sorted into neat stacks.
