The StarTech.com
Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

Low Profile PCI 10/100 Ethernet Card
StarTech ID: ST100SLP

When you need a reliable, cost-effective Ethernet network connection in a low profile PCI form factor, choose the ST100SLP. With full duplex support for data transfer rates up to 200 Mbits/sec., this card is supported by a wide variety of operating systems and integrates seamlessly into your network environment.

Easy Plug and Play installation and support for all popular OS's: Windows, Linux, Mac OS, and Novell

Full and half duplex support, plus auto-negotiation of 10 and 100 Mbits/sec. connections provides easy connectivity in any Ethernet environment

This product is backed by StarTech.com's Lifetime warranty.

Applications and Solutions
> Connects any low profile PC or Mac to an Ethernet network
> Lets connected systems share network resources, including Internet access, printers, scanners and more

Spec Sheet

Features
> Auto-setups IRQ and I/O address.
> Built-in FIFO buffers to eliminate external memory.
> Complies with industry standards: IEEE 802.3 CSMA/CD, 100BaseTX and 10BaseT standard.
> Designed to fit any low profile PCI slot
> One STP connector for 100Mbps or 10Mbps network speed.
> Provides diagnostic software and two LEDs to indicate network link/activity and 10/100Mbps selection.
> Supports 32-bit PCI Bus Master for high performance and low processor utilization.
> Supports Auto-negotiation function.
> Supports early interrupt on transmit to increase performance.
> Supports enhanced smart remote Boot ROM (optional) (BOOTPROM100S)
> Supports ODI driver for NetWare 3.x/4.x, NDIS driver for LAN Manager, Windows 95, Windows 98,
   Windows NT, Packet Driver for TCP/IP software & MAC OS X 10.3.

Specifications
> Bus Type PCI / PCI-X (5 / 3.3V)
> Connector Types 1 - RJ45 Female
> Full Duplex Support Yes
> Product Height 1.26 in [32 mm]
> LED Indicators 1 - 10/100Mbps selection
> LED Indicators 1 - Network link/activity
> Product Length 4.72 in [120 mm]
> Maximum Data Transfer Rate 2000000000
> Number of Ports 1
> Operating Temperature 0 ~ 55
> Carton Quantity 40
> Shipping (Package) Weight 0.27 lb [0.12 kg]
> Product Weight 1.98 oz [56 g]
> Connectors (1) RJ-45
> Standards IEEE 802.3/802.3u
> Bus Type PCI
> IRQ Assigned by system
> I/O Address Assigned by system
> Drivers ODI driver for NetWare 3.x/4.x; NDIS driver for LAN Manager, Windows 95/98/ME/NT 4.0/XP/Vista;
   Packet Driver for TCP/IP software and MAC OS X 10.3
