

Universal Swivel VESA LCD Mounting Bracket for 19in Rack or Cabinet

StarTech ID: RKLCDDBKT

The RKLCDDBKT Universal Swivel VESA LCD Mounting Bracket for 19in Rack or Cabinet lets you mount almost any retail LCD or touch screen into a server rack/cabinet, with tilt and swivel motion for maximum visible range.

Hinged on one of the rail mounts, the LCD bracket can be released to swing out from the rack, as well as offering vertical tilt allowing for perfect placement of your LCD panel with minimal adjustment.

Constructed from solid cold pressed steel (SPCC), the LCD mounting bracket is designed to support 75mm and 100mm VESA mounted panels, and meets ANSI/EIA RS-310-D rack mounting standards.

A versatile option, the LCD mounting bracket also supports wall-mounted installations by reversing the bracket or attaching to a wall mounted bracket or rack.

Backed by a StarTech.com Lifetime warranty.

Applications

- Ideal for installing a retail LCD monitor into an existing Rack or Cabinet
- Installing a touch screen display into a rack or cabinet while retaining access behind it with the swing it out arm
- Can be mounted at any height in the rack; with swivel bracket the screen is always visible
- Mounting a LCD monitor or TV to the wall
- Use for uptime/process monitoring with big screens over 19" when mounted outwards

Features

- 100mm and 75mm VESA mounting hole pattern
- Meets ANSI/EIA RS-310-D standards
- Constructed from solid steel at 2.0mm thick, this bracket is designed for durability
