The total estimated dollar value of this acquisition is: (inclusive of any options) \$██████████. The maximum dollar value of this acquisition is: (inclusive of any options) \$\_\_\_\_\_.

5. The statutory authority permitting other than full and open competition is 10 U.S.C. 2304(c)(1) – Available from only one or limited number of sources.

6. Efforts to improve DoD Competition in accordance with DFARS 206.303-2:

A Sources Sought Notice or Request for Information (RFI) in accordance with DFARS PGI 206.302-1(d) was posted on Beta.Sam on: 13-Sep-2021 Results of the sources sought notice/RFI resulted in the following:

The Sources Sought Synopsis was posted to SAM.Gov under number FD2030-22-00160 with a closing date of 20 Sep 2021. No sources replied to the posting.

A mass sources sought notice which included NSN(s) \_\_\_\_\_ was posted to FedBizOpps on \_\_\_\_\_. Date must be most current FBO posting (i.e., within a six month period). If too numerous, attach list of NSNs.

A waiver of sources sought notice/RFI was approved by the HCA or designee on \_\_\_\_\_ and is hereby attached.

7. The acquisition is restricted to the only source(s) of supply known to have the capability of furnishing the required supplies/services. Source(s) are:

CAGE	COMPANY NAME
59364	Honeywell International Inc.

The use of authority 10 U.S.C. 2304(c)(1) is based on:

- AMC 1. Suitable for competitive acquisition for the second or subsequent time.
- AMC 2. Suitable for competitive acquisition for the first time.
- AMC 3. Acquire, for the second or subsequent time, directly from the manufacturer.
- AMC 4. Acquire, for the first time, directly from the manufacturer.
- AMC 5. Acquire directly from the sole source contractor, who is not the manufacturer.
- AMSC A. The Government's right to use data in its possession is questionable. This code is under review and will be updated when the review is complete.
- AMSC B. This must be acquired from a manufacturing source(s) specified on a source control drawing.
- AMSC C. This part required engineering source approval by the design control activity in order to maintain the quality of the part.
- AMSC D. The data needed to acquire this part is not economically available.
- AMSC H. The Government does not have sufficient, accurate, or legible data to purchase this part from other than the current source. This code is under review and will be updated when the review is complete.
- AMSC K. This part must be produced from class 1 castings under MIL-STD-2175.
- AMSC L. The annual buy value of this part falls below the screening threshold established by DoD.
- AMSC M. Manufacture of this part requires use of master or coordinated tooling.
- AMSC N. Manufacture of this part requires special test and/or inspection facilities to maintain function or system integrity.
- AMSC P. The rights to use the data needed to purchase this part from additional source(s) are not owned by the Government and cannot be purchased, developed, or otherwise obtained.
- AMSC Q. The Government does not have adequate data, lacks rights to data, or both. It is not economical to buy the data or rights to the data.
- AMSC R. The Government does not own the data or rights to the data needed to purchase this part from another source. It is not economical to procure the data or rights to the data.
- AMSC S. Acquisition of this item is restricted to Government approved source(s) because the item involves military sensitive technology.
- AMSC U. The cost to the Government to breakout this part and acquire it competitively has been determined to exceed the projected savings over the life span of the part.
- AMSC V. This part has been designated a high reliability part. Probability of failure would be unacceptable. The engineering activity has determined that data to define and control reliability limits cannot be obtained.
- AMSC Y. The design of this part is unstable. Engineering, manufacturing, or performance characteristics indicate that the required design objectives have not been achieved.
- AMSC Z. This part is a commercial/no-developmental/off-the-shelf item.
- Other: Due to their continued refusal in times past to supply manufacturing data for competitive procurement, letters have been sent to Honeywell International Inc. (CAGE: 59364) on 10/31/14, 9/19/16 and 2/14/18 with no response to these requests. Their refusal to answer these requests for data/data rights release has been construed as a negative response to the government's requests. The rights to use the data needed to purchase this part from additional sources is not owned by the government.

**NOTE: A technical certification is required for acquisitions over \$13.5 million**

8. Efforts to ensure that offers are solicited from as many sources as practicable are:

The acquisition will be synopsisized on or about 07-Dec-2021 and any firm requesting a solicitation copy will be provided one.

A synopsis exception cited in FAR 5.202 applies: (Explain) \_\_\_\_\_

9. I hereby determine that the anticipated cost to the Government will be fair and reasonable. (Explain)

The Contracting Officer will ensure that the items described herein are negotiated at a fair and reasonable price to the Government. The Contractor may be required to provide certified cost or pricing data. A detailed cost analysis and price analysis may be accomplished. The Defense Contract Management Agency may be contacted to assist with the analysis.

10. A market survey as defined by FAR 10:

was conducted, and firms indicating an interest in the acquisition will be solicited. Market research efforts, include:  
Market research, in accordance with FAR 10, was conducted by a multi-functional team consisting of the Item Manager, Equipment Specialist, Logistics Officer, and Engineer. This research included inquiries into internet sites including Google, the Thomas Register, Haystack, and similar item manufacturer's websites and was conducted on 30 Sep 21. Other sources manufacture similar items but none has been identified as having data rights necessary to meet the requirement. Further, this requirement cannot be modified nor be satisfied with a commercial or modified commercial item.

was not conducted due to: \_\_\_\_\_

11. Additional facts supporting other than full and open competition are:

Based upon the technical certification on file, technical data is not available and cannot be developed to permit full and open competition. The data presently available reflects the minimum needs of the Government.

When FAR 6.302-1 is cited for substantial duplication of costs in the case of a follow-on acquisition as described in 6.302-1(a)(2)(ii)(A), an estimate if the cost to the Government that would be duplicated and how the estimate was derived: \_\_\_\_\_

When FAR 6.302-1 is cited for unacceptable delays in the case of a follow-on acquisition as described in 6.302-1(a)(2)(ii)(B), describe the unacceptable delays: \_\_\_\_\_

Other: Item is AMSC "P" coded and by definition, reverse engineering is uneconomical.

12. A listing of sources, if any, indicating an interest in writing in the acquisition are: (if none, state none)

CAGE	COMPANY NAME
NONE	

13. The actions, being taken to overcome barriers to competition before any subsequent acquisition are made: (Explain)

The 423 SCMS will continue to monitor the marketplace for potential sources. The Government will continue to synopsise requirements for potential sources and periodically screen the item for changes in data and source availability.
