AXIS A1001 Network Door Controller

- > Open platform for third-party software
 - > PoE support
 - > Ease of installation
 - > Support most reader types
 - > Scalable and future-proof
 - > Plenum rated
- Part #0540-001

AXIS A8004-VE Network Video Door Station

- > 2-way communication
 - > 24/7 video identification
 - > Remote entry control
 - > SIP support for IP phone integration
 - > ONVIF compliant
- Part #0673-001

AXIS C3003-E Network Horn Speaker

- > Clear, long-range speech
 - > Simple installation with network cable and PoE
 - > Easy integration with major VMS's
 - > Supports SIP (VoIP)
 - > Outdoor-ready
- Part #0767-001

AXIS A4011-E Reader

- > Designed to perfectly match AXIS A1001 Network Door Controller
 - > Outdoor ready
 - > Supports most smart cards
 - > Illuminated keypad
 - > Ergonomic design
 - > Intuitive user interface
- Part #0745-001

Axis Cameras & Encoders

Axis offers the market's broadest and most consistent range of high-quality network cameras and encoders.
