Sub : - Quotation of "AutoLib" Library Automation Software.

Respected Sir,

This is reference to personal discussion and demonstration of "**AutoLib**" Library Automation Software, we are very much thankful to you for considering us to present the proposal for the "**Autolib**" Library Automation Software. We are quoting our best **lowest** price for said item.

We have successfully installed "**AutoLib**" in more than **120** prominent educational Institutes. **17** institutes of JSPM Group are using "**AutoLib**" Library Automation Software successfully.

AutoLib is a totally integrated software package encompassing all aspects of library management. This software package covers all areas within the preview of the **AutoLib** for efficient Information Management. Software covers all MIS Reports required by **AICTE / NAAC** committee. Using this software user can generate **ICARDS**, Print **BarCodes** on any laser printer, **Spine Labels** and data on **Book Cards**, which saves lots of time and cost.

The detailed proposal is enclosed for your kind approval. If you need any further clarification, we would be glad to discuss it with you in person. We look forward to a long and fruitful relationship with your organization.

Thanking you and assuring you our best services at all times.

Yours Sincerely,

for Vedant Software Solutions

Dear Lalasaheb Jadhav,

Acceptance of your Microsoft Open Value Subscription-Education Solutions Agreement
 V2428234 effective date 2015-04-29

I thank you for colcooting the Microsoft Open Value Subscription-Education Solutions Agreement for your organization, hereinafter referred to the Open Value Subscription Agreement. This is the EES offering for small to medium academic customers. The purpose of this letter is to advise you that Microsoft has processed your Open Value Subscription Agreement. We hope that you will find it a cost-effective solution for managing your business's software needs going forward. Please review these sections in order to effectively manage your licensing relationship at Microsoft.

Microsoft Volume Licensing Service Center (VLSC) Web site . The Microsoft Volume Licensing Service Center (VLSC) is an online tool that makes it easy for you to manage Microsoft Volume Licensing program agreements, download licensed products, and access volume license keys - all in one place. The VLSC offers key benefits for licensed software management including:

- **Reporting** . View current and historical reporting across programs and agreements that includes key dates, contact information, order confirmations, and your license summary.
- **Product Downloads** . Download software through a simple, secure user interface. VLSC makes it easy for you to find the right product, based on your licensing entitlements.
- **Volume License Product Keys (VLKs)** . In order to ensure our customers are receiving the genuine, quality products that they expect, we have introduced Product Activation technology on certain Microsoft products. In order to install these products you will require Volume Licensing Product Keys (VLKs). These VLKs are issued to your organization for your exclusive use. Your VLKs are available to you when you log into the Microsoft Volume Licensing Service Center (VLSC) web site and click on the "Volume License Keys" link.
- **Software Assurance** . To review your organization's Software Assurance benefits, simply log on to VLSC where details of your benefits are displayed. Please be aware that to utilize your benefits, you will need to activate the individual Software Assurance entitlements online via VLSC.

You will be receiving your VLSC welcome letter within 1 to 2 business days. This welcome letter will also be sent to your Software Assurance Manager, Subscription Manager, and Online

Services Manager (as applicable to your enrollment). You can access the VLSC homepage directly at: <https://www.microsoft.com/licensing/servicecenter/>.

DreamSpark Subscription - With this Open Value Subscription Agreement, you are also entitled to a free online subscription of DreamSpark that may be used for instructional use only across your organization. DreamSpark enables you to outfit your labs or classrooms with the latest Microsoft developer, design, and server tools to support personal or in-class learning for your students and educators. Software acquired through the DreamSpark subscription may be used for instructional purposes only and may not be used for commercial purposes or for institution's production use. To activate your free membership, please go to: <http://www.dreamspark.com/Institution/Subscription.aspx> and enter the promotion code DSEES3 when asked for a promotion code. This promotion code entitles your institution to the DreamSpark (Electronic Software Delivery) subscription level at no cost.

Qualifying higher education departments that have a core focus in Science, Technology, Engineering, or Math (STEM) may also qualify for DreamSpark Premium, an online subscription that offers a more comprehensive list of developer tools for instructional use. If you are a qualifying STEM department in a higher education institution, you may activate your free membership by going to <http://www.dreamspark.com/Institution/Subscription.aspx> and enter the promotion code DSPEES3. This promotion code entitles your STEM department to the DreamSpark Premium (Electronic Software Delivery) subscription level at no cost.

Online Services - Online Services are a set of services that can help your organization take advantage of the benefits that in-the-cloud computing has to offer. As your IT strategy evolves, Microsoft can help you extend the capabilities and functionality of your existing technology investments. Online Services are delivered via subscription and over the web.

Office 365 for Education - The Office 365 Education A2 is available to your faculty, staff and students at no additional licensing cost. To subscribe to Office 365 Education A2, please go to www.office365.com. For additional online services, please contact your reseller.

How to activate your Online Services:

For all Online Services except Microsoft Azure, please use the Online Service Activation tab in VLSC here.

For Microsoft Azure, please obtain your Online Service Activation Key from VLSC. The key can be found at either of the following locations from the VLSC Homepage:

- **Download & Keys** > find the Product/Service name > click **Key**
- **Licenses > Relationship Summary** > Click on the License Number > **Product Key**

Copy the Key and activate at the Azure Portal here.

Student Advantage Benefit - When you license Office 365 ProPlus or Office Professional Plus for all of your faculty/staff FTE employees organization-wide, you are eligible to license Office 365 ProPlus for students within the same defined organization at no additional charge. Order the no-cost Office 365 ProPlus A for Students under the Student Option to receive this benefit.

Electronic Software Download for Student Option and Work at Home Rights - In response to customer demand to reduce the cost of physical media distribution, we are making this Electronic Software Download (ESD) available for Student Option and Work at Home Rights for applicable products.

Licensing terms are not impacted by FSD. Additional distribution options are granted through the Electronic Software Download Grant Letter posted here: <http://www.microsoft.com/volumelicensing.com/userights/>

We thank you for using Microsoft software, and we look forward to continuing assisting you with your software needs in the future.

Yours sincerely,
Microsoft Corporation(l) Pvt. Ltd.
