Welcome to the Sunshine Coast!

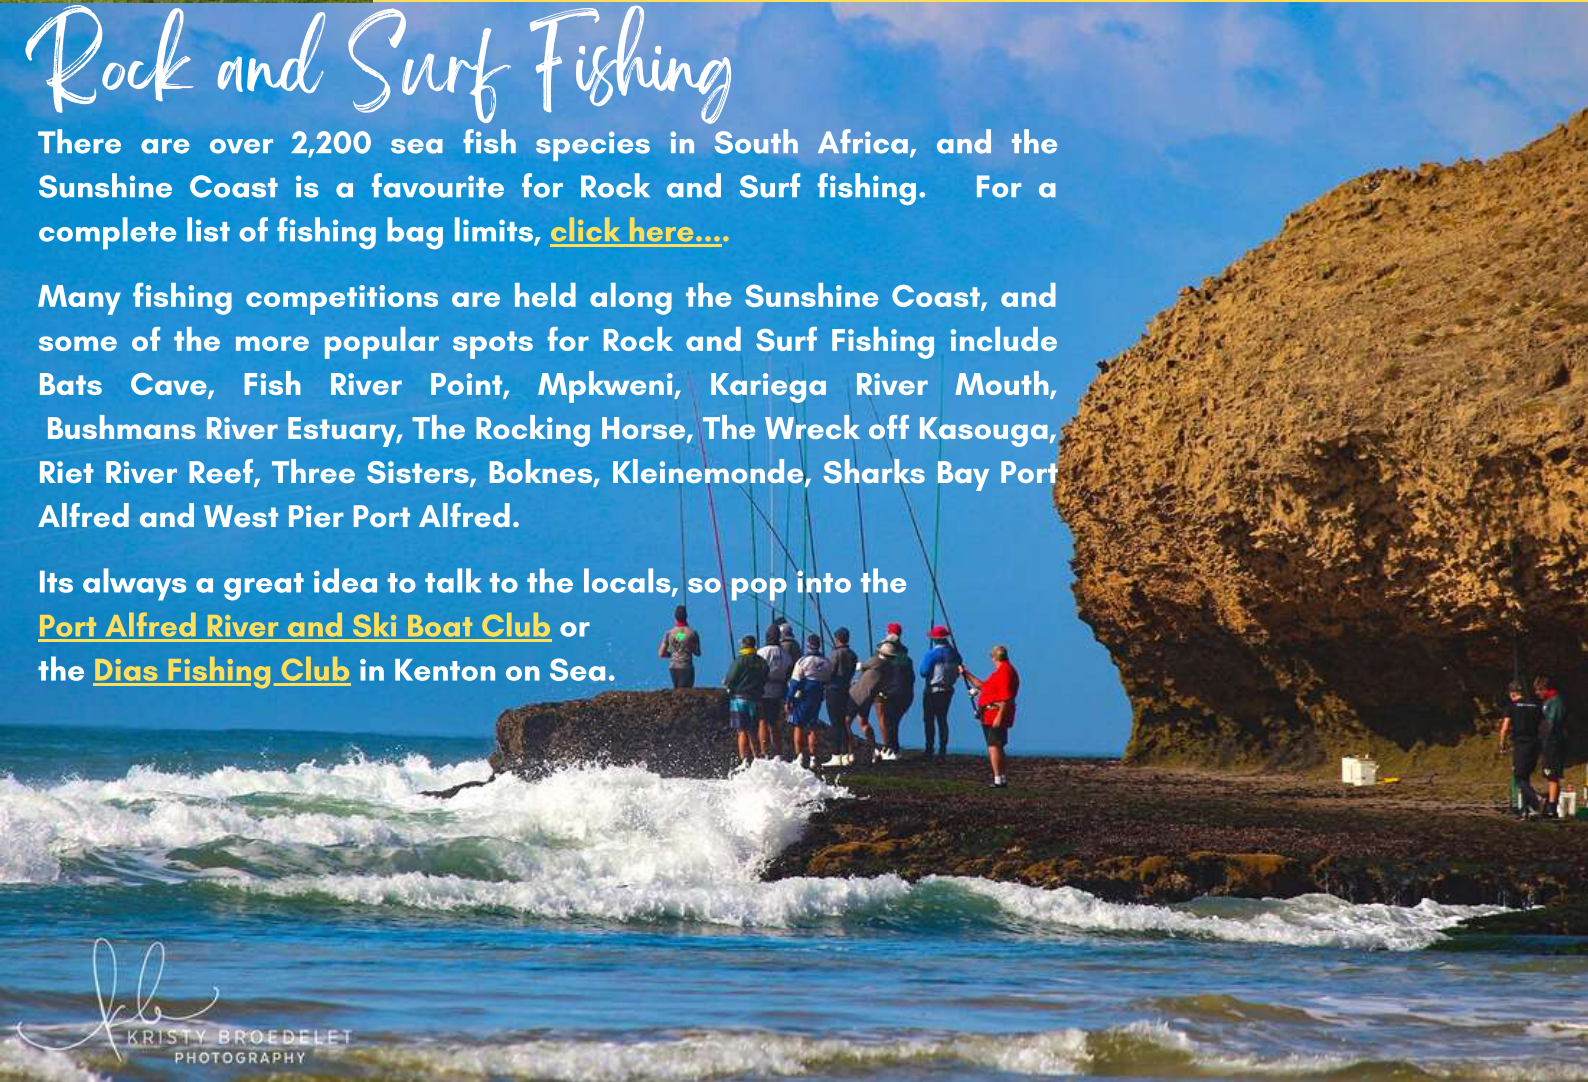

Gateway to the Sunshine Coast: from humble beginnings, Nanaga Farm Stall started in 1969, when Lynn Lake sold cabbages from the side of the road out of the boot of her car. Over the past 50 years, it has grown into an **MUST VISIT** destination. Nanaga is famous for their pies and roosterkoek and has a wonderful range of the best of the area.

Rock and Surf Fishing

There are over 2,200 sea fish species in South Africa, and the Sunshine Coast is a favourite for Rock and Surf fishing. For a complete list of fishing bag limits, [click here....](#)

Many fishing competitions are held along the Sunshine Coast, and some of the more popular spots for Rock and Surf Fishing include Bats Cave, Fish River Point, Mpkweni, Kariega River Mouth, Bushmans River Estuary, The Rocking Horse, The Wreck off Kasouga, Riet River Reef, Three Sisters, Boknes, Kleinemonde, Sharks Bay Port Alfred and West Pier Port Alfred.

Its always a great idea to talk to the locals, so pop into the [Port Alfred River and Ski Boat Club](#) or the [Dias Fishing Club](#) in Kenton on Sea.
