## **KHFBS RULING**

All sheep entered for the sale will be inspected by inspectors appointed by the Society. Any sheep found not meeting breed or health standards, and not tagged with the correct numbers will be rejected.

Rejected sheep will be identified with a purple mark on the top of the head. The vendor will be asked to remove the said sheep from the sale yard prior to the sale commencing. The auctioneer will not be permitted to sell such sheep. The inspector's decision is final; purchasers are advised to do their own inspection before purchase.

The Vendor must ensure that all sheep entered for the sale are registered with the Kerry Hill Flock Book Society.

All sheep must be clearly stencilled with their lot number before entering the sale yard.

Vendors are responsible for bringing up their sheep to the holding pens.

Covid 19 restriction must be adhered to as directed by Beatties Auctioneers on the day of the sale.

The Kerry Hill Flock Book Society cannot be held responsible for any defects found after purchase.
